INDIA’S 1st PUBLIC HEALTH UNIVERSITY

ANNOUNCING ADMISSION FOR THE 7th BATCH

“CREATING HEALTHCARE LEADERS FOR TOMORROW”

MASTER OF HOSPITAL ADMINISTRATION
August 2023 - July 2025
IIPHG has eighteen dedicated faculty members with advanced qualifications in the fields of public health, social science, management, finance, pharmaceuticals and medicine, etc. from reputed Indian and foreign universities. In addition to teaching, the faculty spend considerable time in academic research, training, advocacy, and healthcare practice in the diverse areas of public health and healthcare management. IIPHG faculty undertake externally funded research projects in the area of their expertise and disseminate new knowledge through research publications, policy briefs, presentations in conferences, and consultations. Based on years of academic experience, the faculty strives to upgrade the curriculum, improve the teaching materials, and enrich classroom discussions. In addition to regular faculty, several healthcare experts from governmental and non-governmental organizations (NGOs) from India and abroad also contribute to IIPHG’s teaching programmes as visiting and adjunct faculty.

MHA Programme

MHA is a two-year, full-time programme. It is designed to develop professionally trained administrators who can play an effective managerial role and provide leadership in public and private hospitals and healthcare organizations. For achieving its intended objective, the programme curriculum is structured with a multi-disciplinary perspective, including general management and hospital management theories and practices. The classes are delivered using a variety of teaching and learning techniques, including lectures, case discussions, practical exercises, lab-work, hospital visits, seminars, journal clubs, collaborative learning, group discussions, assignments, hands-on training, internship in hospitals, and dissertation.
Master of Hospital Administration (MHA)

Hospital and practical linkages

Practical trainings in hospitals via internship and dissertation
Programme Advisory Committee of leading doctors and professionals from renowned hospitals like Apollo, CIMS, Zydus, Sterling, Shalby, HCG, Asian Bariatics, Parekh, Samved, etc.

Placement

MHA degree opens multiple avenues to a career in health and hospital administration that contributes to the improvement of health and welfare of people. Potential employers include corporate, government and trust hospitals, insurance companies, third party administrators, health care consulting companies, medical equipment manufacturers and suppliers, pharmaceutical companies, diagnostic laboratories and clinics, medical transcription companies, companies dealing with home-based care, medical tourism, medicine and hospital related start-ups. Multilateral and bilateral organizations like the World Health Organization and other United Nation agencies, various state and central government departments, national and international non-governmental organizations or industry-supported foundations (Corporate Social Responsibility), academic and research institutions, constitute important employer segments. After MHA, students can also opt for higher studies in hospital administration in India or abroad. Placement cell at IIPHG facilitates suitable placements of students after completion of the programme.
