Ph: +91 124 4722900 (Extn. 4110)

Key Contact Person:

Ms. Tanuja Bhandari, Assistant Manager – Program (Trainings)

Email: trainings@iiphd.org, website: www.phfi.org

About the workshop

This workshop would cover key issues in project management and go through each part of the Project Cycle Management. This workshop aims to provide participants with certain tools of project management that would enable managers to use/assess and respond to issues in their own workplaces. The training would use adult learning methods including case-studies and practice sessions.

At the end of the workshop the participants are expected to be capable of designing a robust health project with a focus on final results, identify various project management activities and use relevant tools for efficient functioning.

Registration Fee

Indian National: 8000 INR per participant

Foreign National: 16000 INR per participant

The registration fee includes course kit, lunch and snacks. Please note that the participants will have to bear their own travel, boarding and lodging expenses. However, the organizers will be able to provide a list of hotels or guesthouses nearby the institute upon request.

About the faculty

Shomik Ray would lead the training program. He is a senior faculty at IIPH Delhi and has 21 years of experience in the development sector in India. He specializes in Program Management and Economic Evaluation and has special interest in training
