

Number of Projects by Calendar Year of Incidence

\* Till September 2018

Sr.No	Title	Research Area	Research Partner/s
1.	Give2Asia Grant for IIPH Delhi	Health Systems and Policy	Give2Asia, Deshpande Foundation
2.	Mobility of Health Professionals (MOHProf) Project	Health Systems and Policy	European Commission, University of Philippines, Manila
3.	Strengthening Public Health Workforce Capacity in India by Establishing New Institutes of Public Health, Undertaking Research, Advocacy, Policy Information Activities, Strengthening Existing	Health Systems and Policy	Pfizer Inc,

	Institutions and Facilitating Establishment of Standards in Public Health Education		
4.	An Evaluation of Special Care Newborn Units in Eight Districts in India (SCNU)	Maternal and Child Health	United Nations Children'S Fund (UNICEF), India,
5.	Prepare a User Friendly Document Reviewing Global Lessons in Nutrition Security from Select Countries that Resulted in Reduction in Malnutrition Amongst their Populations	Nutrition	Intrahealth International Inc,
6.	Regulating the Availability of TB Medicines in India: A Policy Process Appraisal	Infectious Diseases	World Health Organization - Geneva,
7.	Assessment of Navjaat Shishu Suraksha Karyakaram	Maternal and Child Health	Ministry of Health and Family Welfare, Government of India,
8.	Technical Assistance to the Government of Jharkhand to Operationalize First Referral Units (FRU), Phase-II	Health Systems and Policy	The Maternal and Child Health Sustainable Technical Assistance and Research (MCH-STAR),
9.	Reaching Everyone: Strengthening Public Health Education	Health Communication and Advocacy	Australian Agency for International Development (AusAID), The Nossal Institute for Global Health, The University of Melbourne
10.	Situational Analysis of World Food Program's Flour Fortification Project in Madhya Pradesh	Nutrition	United Nation's World Food Program (WFP), India,
11.	Developing a Policy Research Framework to Characterize the Regulatory Environments of Mixed Health Care Systems	Health Systems and Policy	Australian International Health Institute,
12.	Community Based Maternal Death Audit (MDA) in one District of Uttar Pradesh	Maternal and Child Health	The Maternal and Child Health Sustainable Technical Assistance and Research (MCH-STAR),
13.	Short Intensive Professional Programmes in HIV under Australia Leadership Award Fellowship (ALAF)	Infectious Diseases	Australian Agency for International Development (AusAID), Sexually Transmitted Infections Research Centre (STIRC), University of Sydney
14.	Effect of Heating on the Trans-Fatty Acid Content of Commonly Consumed Indian Edible Oils and Fried Snacks in South Delhi	Nutrition	Department of Science and Technology, Ministry of Science and Technology, Government of India

15.	Strengthening the Capacity Building Initiatives of the State Institute of Health Management and Communication (SIHMC), Phase-I	Health Communication and Advocacy	Government of Madhya Pradesh,
16.	Workload and Knowledge, Attitude, Behaviour and Practices (KABP) Analysis of Integrated Counselling and Testing Centre (ICTC) and Anti-Retroviral Therapy (ART) Counsellors	Health Systems and Policy	AIDS Prevention and Control Project - Voluntary Health Services (APAC-VHS),
17.	Role of Single Photon Emission Computed Tomography (SPECT)-Myocardial Perfusion Imaging (MPI) and Coronary Computed Tomography (CT) Angiography in the Assessment of Patients at Intermediate Risk of Coronary Events - A Pilot Randomized Controlled Trial (IAEA)	Non-Communicable Diseases	International Atomic Energy Agency (IAEA),
18.	Intensive Professional Programme in Sexually Transmitted Infections and HIV (PSLP)	Infectious Diseases	Australian Agency for International Development (AusAID), Sexually Transmitted Infections Research Centre (STIRC), University of Sydney
19.	Development of Post Graduate Diploma in Management of Reproductive and Child Health Programmes	Maternal and Child Health	United Nations Children'S Fund (UNICEF), India,
20.	A Scalable Approach to Improve the Coverage, Quality and Impact on MNCH Care in the Urban Slums of Delhi: Developing a Package of MNCH Care Facilitated through an Urban Community Health Worker: The ANCHUL (Ante Natal and Child Health Care in Urban Slums)	Maternal and Child Health	World Health Organization - Geneva,
21.	Global Health Course in Master's Programme in Sustainable Development Practice at TERI University	Health Communication and Advocacy	The Energy and Resources Institute (TERI) University,
22.	Challenges to Accessing and Remaining on ART in India: Perspectives of Mothers and Children Living with HIV	Infectious Diseases	Wellcome Trust Capacity Building Programme,
23.	Migration, Poverty and Access to Healthcare: A Multi-Centric Study on People's Access and Health System's Responsiveness in Fast Growing Smaller Cities in India (Nasik)	Social Determinants of Health	Indian Council of Medical Research (ICMR),
24.	Technical Assistance to Government of Jharkhand to Develop Human Resource Strategy for the Department of Health and Family Welfare	Health Systems and Policy	The Maternal and Child Health Sustainable Technical Assistance and Research (MCH-STAR),

25.	Ferrous Sucrose in Pregnant Anaemic Women in India (FeSPA)-A Randomized Open Label Study, Phase-I	Nutrition	World Health Organization - India,
26.	Development of Module on Gender Equity in Health for Post Graduate Diploma in Public Health Management	Social Determinants of Health	The Maternal and Child Health Sustainable Technical Assistance and Research (MCH-STAR),
27.	Develop/Adapt and Field Test Capacity Building Package for Reproductive and Child Health (RCH) Programme Managers-I	Maternal and Child Health	World Health Organization - India,
28.	Strengthening the Capacity Building Initiatives of the State Institute of Health Management and Communication (SIHMC), Phase-II	Health Communication and Advocacy	Government of Madhya Pradesh,
29.	Improving Management of Facility Based Newborn Care in Bihar	Maternal and Child Health	United Nations Children'S Fund (UNICEF) - India,
30.	An Evaluation of the Post Graduate Diploma Programme in Public Health Management	Health Economics and Financing	Wellcome Trust Capacity Building Programme,
31.	Baseline Data Collection Related to Married Adolescents Reproductive Health in Selected NIPI Focus Districts in India, Phase-I	Social Determinants of Health	World Health Organization - India,
32.	Trans Fats in the Food Supply in India: A Pilot Study to Align Policy Options with the Population Consumption Pattern	Nutrition	Wellcome Trust Capacity Building Programme,
33.	Bringing the SAFE Child Protection Tools to Practice: Partnerships for Data Collection, Analysis and Implementation Research in India and Haiti	Social Determinants of Health	Oak Foundation, Harvard School of Public Health
34.	Cross-Country Comparison of Masters and Doctoral Level Public Health Programs with a Focus on Competency-Driven Curriculum	Health Systems and Policy	China Medical Board,
35.	Evaluation of Effectiveness of District Extender Model of Supporting Vitamin-A Supplementation (VAS) Program in Selected States of India	Nutrition	United Nations Children'S Fund (UNICEF) - India, Micronutrient Initiative - India
36.	Endline Evaluation of the Wheat Flour Fortification Project in Madhya Pradesh	Nutrition	United Nation's World Food Program (WFP), India,
37.	The HIV/AIDS Partnership: Impact through Prevention, Private Sector and Evidence-based Programming	Infectious Diseases	United States Agency for International Development (USAID),
38.	Indigenous and Traditional Foods for Addressing Food and Nutrition Security: An Enquiry into the Possible Contribution of Bio Diversity with Emphasis on Dietary Diversity through Consumption of Indigenous/Wild Foods in the Tribal Communities of Jharkhand, India	Nutrition	Wellcome Trust Capacity Building Programme,

39.	Breast Cancer Awareness: Evaluation of a Campaign and Planning Further Dissemination	Health Communication and Advocacy	Wellcome Trust Capacity Building Programme,
40.	State of India's Newborns (SOIN) Report	Maternal and Child Health	Save the Children, US (SCUS),
41.	Churachandpur District Hospital Performance Improvement	Health Systems and Policy	Ministry of Health and Family Welfare, Government of Mizoram,
42.	Harm Reduction Approach for Non-Injectors in Injecting Drug Users' Sexual Network: Exploratory Study from Selected Regions of Manipur	Social Determinants of Health	Wellcome Trust Capacity Building Programme,
43.	Situational Analysis of Pneumococcal Conjugate Vaccine Market in India	Social Determinants of Health	Bill and Melinda Gates Foundation,
44.	Strengthening the Capacity Building Initiatives of the State Institute of Health Management and Communication (SIHMC), Phase-III	Health Communication and Advocacy	Government of Madhya Pradesh,
45.	Developing and Piloting an Intervention Model to Delay First Pregnancy and Spacing of Second Child among Married Adolescents and Young People, Phase-II	Social Determinants of Health	World Health Organization - India,
46.	Scholarships for Students of Good Academic Background and belong to Socially and Economically Deprived Communities	Health Systems and Policy	Metals and Minerals Trading Corporation (MMTC) of India Limited,
47.	Mainstreaming Monitoring and Evaluation Teaching in MPH Programs across Four Asian Countries, Phase-I	Health Systems and Policy	MEASURE Evaluation (USAID), The University of North Carolina at Chapel Hill (UNC-CH)
48.	Providing Community Health Facilities in Anotified Backward District - Barabanki, Uttar Pradesh	Social Determinants of Health	The State Trading Corporation of India Limited (STC), Srajan Foundation
49.	Ferrous Sucrose in Pregnant Anaemic Women in India (FeSPAW)-A Randomized Open Label Study, Phase-II	Nutrition	World Health Organization - India,
50.	Capacity Building of RCH Programme Managers Revision of Training Package and Organizing Two Training of Trainers (ToTs), Phase-I & Phase-II	Maternal and Child Health	World Health Organization - India,
51.	Designing a Framework for Tobacco Research Network in India through Stakeholder Consultations	Infectious Diseases	Wellcome Trust Capacity Building Programme, University College London
52.	An Operational Research (OR) of India HIV/AIDS Alliance for its Programme Titled HRIDAYA Project: "Community Action on Harm Reduction"	Social Determinants of Health	India HIV/AIDS Alliance,

53.	Capacity Building in Public Health Management	Health Systems and Policy	World Health Organization - India,
54.	Capacity Building in Health Economics, Health Care Financing and Health Policy	Health Systems and Policy	World Health Organization - India,
55.	Risk Factors of Congenital Anomalies in Haryana - A Case Control Study	Maternal and Child Health	National Rural Health Mission, Haryana,
56.	Quality Assurance in Labour Rooms (with Emphasis on Infection Control) in 2 Districts in Bihar	Maternal and Child Health	United Nations Children's Fund (UNICEF), Bihar,
57.	Development of a Post-Graduate Level M&E Course For MPH Programs, Phase-II	Health Systems and Policy	MEASURE Evaluation (USAID), The University of North Carolina at Chapel Hill (UNC-CH)
58.	Fund for Improvement of S&T Infrastructure (FIST)	Health Systems and Policy	Department of Science and Technology, Ministry of Science and Technology, Government of India,
59.	Identifying priority areas for policymaking in the Department of Health, Government of Madhya Pradesh	Health Systems and Policy	Wellcome Trust Capacity Building Programme,
60.	Diagnostic Efficacy of Hemoglobin Color Scale, Digital Hemoglobinometer and Non-Invasive Method for Screening Patients for Anemia	Maternal and Child Health	Ministry of Health and Family Welfare (MOHFW), All India Institute of Medical Sciences (AIIMS)
61.	Documentation of Maternal and Child Health Activities in Haryana	Maternal and Child Health	National Rural Health Mission, Haryana,
62.	Database for Rajiv Gandhi Jeevandayee Arogya Yojana (RGJAY) Network Hospitals	Health Systems and Policy	Public Health Department, Government of Maharashtra,
63.	Updating the National Pandemic Preparedness Plan for Government of Maldives	Health Systems and Policy	Ministry of Health, Maldives,
64.	Private Sector Rota Vaccine Utilization Study	Health Systems and Policy	Bill and Melinda Gates Foundation, Ministry of Health and Family Welfare (MOHFW)
65.	Know Violence in Childhood: A Global Learning Initiative	Social Determinants of Health	UBS Optimus Foundation,
66.	Obstetric Fistula in South East Asian (SEARO) Countries - A Systematic Review	Maternal and Child Health	World Health Organization - SEARO,
67.	Public Sector Linkage Program to Strengthen the Capacity of the Public Sector to Train Public Health Leaders in the State of Uttarakhand, India	Health Systems and Policy	Australian Agency for International Development (AusAID), The Nossal Institute for Global Health, The University of Melbourne

68.	Know Violence in Childhood: A Global Learning Initiative	Maternal and Child Health	Tides Foundation,
69.	State-Wide Rollout of India Newborn Action Plan (INAP) in Bihar with Special Focus in Gaya and Purnea Districts	Maternal and Child Health	United Nations Children's Fund (UNICEF), Bihar,
70.	An analysis of sex selection drugs (SSD) and its effect in animals	Maternal and Child Health	Department of Science and Technology, Ministry of Science and Technology, Government of India,
71.	Operational Research on service provision of SRH (Sexual and Reproductive Health) and Nutrition Components of the Rashtriya Kishore Swasthya Karyakram (RKSK) strategy	Maternal and Child Health	World Health Organization - India,
72.	Assessment of an Ongoing Intervention to Promote Data Utilization in Health Professionals and its Effect on Overall Improvement in the Performance of the System	Health Systems and Policy	World Health Organization - India, National Health Mission, Haryana
73.	Know Violence in Childhood: A Global Learning Initiative	Maternal and Child Health	American Jewish World Service (AJWS),
74.	Study of Medical Officers at Primary Health Centres and Auxiliary Nurse Midwives at Sub-Centres working under Department of Health and Family Welfare, Government of Madhya Pradesh – A Systematic Assessment	Health Systems and Policy	Government of Madhya Pradesh,
75.	Technical Support for Conducting Workshop on Routine Data Quality Assessment (RDQA) in Nepal	Health Communication and Advocacy	MEASURE Evaluation (USAID), The University of North Carolina at Chapel Hill (UNC-CH)
76.	Rapid Assessment of Bottlenecks in Adopting a Daily-Regimen in Treatment of TB across India	Infectious Diseases	SHARE India,
77.	Pharmaceutical Economics with Focus on Access to Medicine and Vaccines	Health Economics and Financing	CDRF-WTP Fellowship,
78.	Routine Health Information Systems Support	Health Systems and Policy	World Health Organization - SEARO,
79.	Portraying Breast Cancer Survival in Delhi – Bridging Knowledge Gaps about Breast Cancer Survivors and Survivorship in India	Non-Communicable Diseases	PHRI Research Grant,
80.	Mapping of Institutions in South-East Asia Region for Epidemiological Skills and Training on Capacities Associated with International Health Regulations	Health Systems and Policy	World Health Organization - SEARO,

81.	STOP Diabetes and Lower Cardiovascular Risk through Worksite – A Demonstration Project	Infectious Diseases	Lown Fellowship, Harvard School of Public Health,
82.	Know Violence in Childhood: A Global Learning Initiative	Maternal and Child Health	United Nations Children's Fund (UNICEF),
83.	Role of Indian Institute of Public Health-Delhi, Public Health Foundation of India in providing technical support to HCL foundation for developing health interventions for the project Samuday	Social Determinants of Health	HCL Foundation,
84.	Rollout Facility Based Project to Improve Newborn Nutrition and Survival in Two States – UP and Gujarat	Maternal and Child Health	Micronutrient Initiative,
85.	GIS Applications in Public Health - Nepal	Health Systems and Policy	MEASURE Evaluation (USAID), The University of North Carolina at Chapel Hill (UNC-CH)
86.	Strategic Framework on Human Resources for Health (HRH)	Health Systems and Policy	John Snow India (JSI) Private Limited,
87.	Developing the Training Curriculum for Indian Administrative Service (IAS) Officers on Health and Nutrition	Health Systems and Policy	John Snow India (JSI) Private Limited,
88.	Baseline and End Line Survey for HBS India Program in Five Pilot Program Districts	Maternal and Child Health	Indian Academy of Pediatrics (IAP),
89.	Routine Health Information Systems (RHIS) Curriculum Pilot Testing in Asia	Health Systems and Policy	World Health Organization - SEARO,
90.	Towards a Grand Convergence for Child Survival and Health: A Strategic Review of Options for the Future Building on Lessons Learnt From IMNCI	Maternal and Child Health	World Health Organization - India,
91.	Piloting PRISM Tools in India and Piloting the Core RHIS Curriculum in Asia Region	Health Systems and Policy	MEASURE Evaluation (USAID), The University of North Carolina at Chapel Hill (UNC-CH)
92.	Developing Diploma Course in Public Health Nutrition for Afghanistan	Nutrition	Aga Khan Foundation, Afghanistan,
93.	Bottleneck Analysis and Strengthening of Regional Training Centres in Uttar Pradesh	Health Systems and Policy	United Nations Children's Fund (UNICEF), Uttar Pradesh,
94.	Rapid Assessment of the Implementation Status of MNH Interventions in Selected Districts, as a Follow-up Action to Operationalizing India Newborn Action Plan (INAP)	Maternal and Child Health	Save the Children,
95.	Cost Effectiveness Analysis of Pneumococcal Conjugate Vaccines (PCV) in India through Transmission Dynamic Modelling Approach	Health Economics and Financing	The Inclen Trust International ("INCLEN"),

96.	Process Evaluation of Health Insurance in Ghana and India	Health Economics and Financing	MEASURE Evaluation (USAID), The University of North Carolina at Chapel Hill (UNC-CH)
97.	A Prospective Cohort to Assess Improvements in Patient Reported Outcomes and Weight Gain Pattern in Patients Undergoing Unilateral Primary Total Knee Replacement	Non-Communicable Diseases	PHRI Research Grant,
98.	Design and Scale up of Alternate Models for Responding to the Critical Shortage of Medical Specialists in Selected States	Health Systems and Policy	Bill and Melinda Gates Foundation (BMGF),
99.	Diagnostic Accuracy of MCV/RBC Count Ratio (Mentzer Index) for Screening Patients for Beta-Thalassemia	Maternal and Child Health	PHRI Research Grant,
100.	Assessment of Efficiency of Medicine Procurement and Supply Management in Public Health System in Gujarat- A Mixed-Method Study	Health Systems and Policy	PHRI Research Grant,
101.	Adaptation of the Evaluation Specialization Curriculum for a Virtual Certificate Course on Evaluation for the Asian Setting	Health Systems and Policy	MEASURE Evaluation (USAID), The University of North Carolina at Chapel Hill (UNC-CH)
102.	MIT Pilot Study - for ASHA Kit: Mobile Tools for Community Health Workers	Maternal and Child Health	Tata Education and Development Trust,
103.	Surgery Compared to Fibrinolytic Therapy for Symptomatic Patients with Left-Sided Prosthetic Heart Valve Thrombosis (SAFE-PVT)	Non-Communicable Diseases	Indian Council of Medical Research (ICMR), All India Institute of Medical Sciences (AIIMS)
104.	McKinsey & Company Sashaktikaran Scholarships for MPH Students	Health Systems and Policy	McKinsey & Company,
105.	Strengthening Routine Health Information System (RHIS) in South Asia	Health Systems and Policy	World Health Organization - SEARO,
106.	Dietary Diversity and Nutritive Value of Indigenous Foods in Addressing Food Security and Nutritional Status of Vulnerable Tribal Communities of India	Nutrition	The Wellcome Trust DBT India Alliance,
107.	Assignment under the Project MIYCN 2037 for Monitoring and Evaluation Framework	Nutrition	Deepak Foundation,
108.	Scholarships for Students Enrolled in MPH Programs Offered at the Indian Institutes of Public Health – Gandhinagar, Hyderabad and Delhi-NCR	Health Systems and Policy	Infosys Foundation,
109.	Formative Research on IYCN Practices – An Application of PEN 3 Cultural Model	Nutrition	Indian Council of Social Science Research (ICSSR),

110.	Diagnostic Efficacy of Digital Hemoglobinometer (TrueHb) for Screening Patients for Anemia in the Field Settings, Phase-II	Maternal and Child Health	Ministry of Health and Family Welfare (MOHFW), All India Institute of Medical Sciences (AIIMS)
111.	Value of Gated-SPECT MPI for Ischemia-Guided PCI of non-culprit vessels in STEMI Patients with Multivessel Disease after primary PCI	Non-Communicable Diseases	International Atomic Energy Agency (IAEA)
112.	Regional Health Information Systems (RHIS) Strengthening Support	Health Systems and Policy	World Health Organization - SEARO
