

Number of Projects by Calendar Year of Incidence

Sr.No	Title	Activity
1	Implementing Population based Prophylactic study related to COVID-19	Technical Assistance
2	Public Health Ethics in India- Establishing Linkages and Synergies	Technical Assistance
3	Evidence synthesis and Health technology assessment – blended learning	Technical Assistance
4	To Integrate Evidence based Specifications for Mother, Infant and Young Child Nutrition into Government of India's Platform (ICDS in Rajasthan, RMNCH+A in Jharkhand and Livelihoods Mission in Odisha) to Improve Nutrition in India	Capacity Building
5	Development of Review Paper on Procurement and Supply System for Malaria Elimination Activities under the National Vector Borne Disease Control Programme	Research
6	Digoxin in Patients with Rheumatic Heart Disease - A Randomised Placebo-Controlled Trial	Research
7	To Conduct a Study on Health Workforce in India: Where and How to Invest	Technical Assistance
8	To Develop a Protocol for Investment Case in HRH and Initiating Activities for Generating HRH Estimates	Technical Assistance

Sr.No	Title	Activity
9	Development of Review Paper on Stewardship Role and Procurement and Supply System for Kala-Azar Elimination Activities under the National Vector Borne Disease Control Programme	Technical Assistance
10	Strengthening of Institute of Public Health - Ranchi	Technical Assistance
11	Understanding Impact of Pharmaceutical Regulation and Policies on Access to Medicines in India	Research
12	Set up a Minimum Wage Mechanism in Maldives	Technical Assistance
13	Developing a Communication Strategy & Materials for Improving the Health Literacy of Communities and Delivery of Services in Sagar Division, Madhya Pradesh	Technical Assistance
14	Situational Analysis of State Institute of Health and Family Welfare Training (SIHFW) Gwalior, Madhya Pradesh	Research
15	Training and Capacity Development of Staff of Ministry of Health, Government of Afghanistan	Capacity Building
16	Technical Support to Strengthen Antenatal Care Services in Mewat Focusing on Severe Anaemia among Pregnant Mothers	Technical Assistance
17	Diploma in Disease Surveillance and Outbreak Investigation	Capacity Building
18	Mapping of Take Home Rations (THR) under the Integrated Child Development Services in India	Capacity Building
19	Proposal writing for grant and scientific writing	Technical Assistance
20	Regional Health Information Systems (RHIS) Strengthening Support	Technical Assistance
21	Value of Gated-SPECT MPI for Ischemia-Guided PCI of non-culprit vessels in STEMI Patients with Multivessel Disease after primary PCI	Research
22	Diagnostic Efficacy of Digital Hemoglobinometer (TrueHb) for Screening Patients for Anemia in the Field Settings	Research
23	Formative Research on IYCN Practices – An Application of PEN 3 Cultural Model	Research
24	Child Welfare in Haryana	Research
25	An Interdisciplinary Approach to Addressing Global Challenges Courses	Capacity Building
26	Scholarships for Students Enrolled in MPH Programs Offered at the Indian Institutes of Public Health – Gandhinagar, Hyderabad and Delhi-NCR	Capacity Building
27	Assignment under the Project MIYCN 2037 for Monitoring and Evaluation Framework	Technical Assistance

Sr.No	Title	Activity
28	Dietary Diversity and Nutritive Value of Indigenous Foods in Addressing Food Security and Nutritional Status of Vulnerable Tribal Communities of India	Research
29	Strengthening Routine Health Information System (RHIS) in South Asia	Research
30	McKinsey & Company Sashaktikaran Scholarships for MPH Students	Capacity Building
31	Surgery Compared to Fibrinolytic Therapy for Symptomatic Patients with Left-Sided Prosthetic Heart Valve Thrombosis (SAFE-PVT)	Research
32	MIT Pilot Study - for ASHA Kit: Mobile Tools for Community Health Workers	Technical Assistance
33	Adaptation of the Evaluation Specialization Curriculum for a Virtual Certificate Course on Evaluation for the Asian Setting	Capacity Building
34	Assessment of antibiotic consumption in India and its relationship with antimicrobial resistance: Evidence from pharmaceutical sales data	Research
35	Diagnostic Accuracy of MCV/RBC Count Ratio (Mentzer Index) for Screening Patients for Beta-Thalassemia	Research
36	Design and Scale up of Alternate Models for Responding to the Critical Shortage of Medical Specialists in Selected States	Capacity Building
37	A Prospective Cohort to Assess Improvements in Patient Reported Outcomes and Weight Gain Pattern in Patients Undergoing Unilateral Primary Total Knee Replacement	Research
38	Process Evaluation of Health Insurance in Ghana and India	Research
39	Cost Effectiveness Analysis of Pneumococcal Conjugate Vaccines (PCV) in India through Transmission Dynamic Modelling Approach	Research
40	Rapid Assessment of the Implementation Status of MNH Interventions in Selected Districts, as a Follow-up Action to Operationalizing India Newborn Action Plan (INAP)	Research
41	Bottleneck Analysis and Strengthening of Regional Training Centres in Uttar Pradesh	Research
42	Developing Diploma Course in Public Health Nutrition for Afghanistan	Capacity Building
43	Piloting PRISM Tools in India and Piloting the Core RHIS Curriculum in Asia Region	Research
44	Towards a Grand Convergence for Child Survival and Health: A Strategic Review of Options for the Future Building on Lessons Learnt From IMNCI	Research
45	Routine Health Information Systems (RHIS) Curriculum Pilot Testing in Asia	Research
46	Baseline and End Line Survey for HBS India Program in Five Pilot Program Districts	Research
47	Developing the Training Curriculum for Indian Administrative Service (IAS) Officers on Health and Nutrition	Capacity Building

Sr.No	Title	Activity
48	Strategic Framework on Human Resources for Health (HRH)	Capacity Building
49	GIS Applications in Public Health - Nepal	Capacity Building
50	Rollout Facility Based Project to Improve Newborn Nutrition and Survival in Two States – UP and Gujarat	Research
51	Role of Indian Institute of Public Health-Delhi, Public Health Foundation of India in providing technical support to HCL foundation for developing health interventions for the project Samuday	Technical Assistance
52	Know Violence in Childhood: A Global Learning Initiative	Research
53	STOP Diabetes and Lower Cardiovascular Risk through Worksite – A Demonstration Project	Capacity Building
54	Mapping of Institutions in South-East Asia Region for Epidemiological Skills and Training on Capacities Associated with International Health Regulations	Capacity Building
55	Portraying Breast Cancer Survival in Delhi – Bridging Knowledge Gaps about Breast Cancer Survivors and Survivorship in India	Research
56	Routine Health Information Systems Support	Capacity Building
57	Pharmaceutical Economics with Focus on Access to Medicine and Vaccines	Capacity Building
58	Rapid Assessment of Bottlenecks in Adopting a Daily-Regimen in Treatment of TB across India	Research
59	Technical Support for Conducting Workshop on Routine Data Quality Assessment (RDQA) in Nepal	Capacity Building
60	Study of Medical Officers at Primary Health Centres and Auxiliary Nurse Midwives at Sub-Centres working under Department of Health and Family Welfare, Government of Madhya Pradesh – A Systematic Assessment	Capacity Building
61	Know Violence in Childhood: A Global Learning Initiative	Research
62	Assessment of an Ongoing Intervention to Promote Data Utilization in Health Professionals and its Effect on Overall Improvement in the Performance of the System	Capacity Building
63	Operational Research on service provision of SRH (Sexual and Reproductive Health) and Nutrition Components of the Rashtriya Kishore Swasthya Karyakram (RKSK) strategy	Research
64	An analysis of sex selection drugs (SSD) and its effect in animals	Research
65	State-Wide Rollout of India Newborn Action Plan (INAP) in Bihar with Special Focus in Gaya and Purnea Districts	Research
66	Know Violence in Childhood: A Global Learning Initiative	Research
67	Public Sector Linkage Program to Strengthen the Capacity of the Public Sector to Train Public Health Leaders in the State of Uttarakhand, India	Capacity Building
68	Obstetric Fistula in South East Asian (SEARO) Countries - A Systematic Review	Research

Sr.No	Title	Activity
69	Know Violence in Childhood: A Global Learning Initiative	Research
70	Private Sector Rota Vaccine Utilization Study	Research
71	Updating the National Pandemic Preparedness Plan for Government of Maldives	Technical Assistance
72	Database for Rajiv Gandhi Jeevandayee Arogya Yojana (RGJAY) Network Hospitals	Technical Assistance
73	Documentation of Maternal and Child Health Activities in Haryana	Research
74	Diagnostic Efficacy of Hemoglobin Color Scale, Digital Hemoglobinometer and Non-Invasive Method for Screening Patients for Anemia	Research
75	Identifying priority areas for policymaking in the Department of Health, Government of Madhya Pradesh	Research
76	Fund for Improvement of S&T Infrastructure (FIST)	Capacity Building
77	Development of a Post-Graduate Level M&E Course For MPH Programs, Phase-II	Capacity Building
78	Quality Assurance in Labour Rooms (with Emphasis on Infection Control) in 2 Districts in Bihar	Research
79	Risk Factors of Congenital Anomalies in Haryana - A Case Control Study	Research
80	Capacity Building in Health Economics, Health Care Financing and Health Policy	Capacity Building
81	Capacity Building in Public Health Management	Capacity Building
82	An Operational Research (OR) of India HIV/AIDS Alliance for its Programme Titled HRIDAYA Project: "Community Action on Harm Reduction"	Research
83	Designing a Framework for Tobacco Research Network in India through Stakeholder Consultations	Research
84	Capacity Building of RCH Programme Managers Revision of Training Package and Organizing Two Training of Trainers (ToTs), Phase-I & Phase-II	Capacity Building
85	Ferrous Sucrose in Pregnant Anaemic Women in India (FeSPAW)-A Randomized Open Label Study, Phase-II	Research
86	Providing Community Health Facilities in Anotified Backward District - Barabanki, Uttar Pradesh	Research
87	Mainstreaming Monitoring and Evaluation Teaching in MPH Programs across Four Asian Countries, Phase-I	Capacity Building
88	Scholarships for Students of Good Academic Background and belong to Socially and Economically Deprived Communities	Capacity Building
89	Developing and Piloting an Intervention Model to Delay First Pregnancy and Spacing of Second Child among Married Adolescents and Young People, Phase-II	Research
90	Strengthening the Capacity Building Initiatives of the State Institute of Health Management and Communication (SIHMC), Phase-III	Capacity Building
91	Situational Analysis of Pneumococcal Conjugate Vaccine Market in India	Research

Sr.No	Title	Activity
92	Harm Reduction Approach for Non-Injectors in Injecting Drug Users' Sexual Network: Exploratory Study from Selected Regions of Manipur	Research
93	Churachandpur District Hospital Performance Improvement	Technical Assistance
94	State of India's Newborns (SOIN) Report	Research
95	Breast Cancer Awareness: Evaluation of a Campaign and Planning Further Dissemination	Research
96	Indigenous and Traditional Foods for Addressing Food and Nutrition Security: An Enquiry into the Possible Contribution of Bio Diversity with Emphasis on Dietary Diversity through Consumption of Indigenous/Wild Foods in the Tribal Communities of Jharkhand, India	Research
97	The HIV/AIDS Partnership: Impact through Prevention, Private Sector and Evidence-based Programming	Technical Assistance
98	Endline Evaluation of the Wheat Flour Fortification Project in Madhya Pradesh	Research
99	Evaluation of Effectiveness of District Extender Model of Supporting Vitamin-A Supplementation (VAS) Program in Selected States of India	Research
100	Cross-Country Comparison of Masters and Doctoral Level Public Health Programs with a Focus on Competency-Driven Curriculum	Academic
101	Bringing the SAFE Child Protection Tools to Practice: Partnerships for Data Collection, Analysis and Implementation Research in India and Haiti	Research
102	Trans Fats in the Food Supply in India: A Pilot Study to Align Policy Options with the Population Consumption Pattern	Research
103	Baseline Data Collection Related to Married Adolescents Reproductive Health in Selected NIPI Focus Districts in India, Phase-I	Research
104	An Evaluation of the Post Graduate Diploma Programme in Public Health Management	Research
105	Improving Management of Facility Based Newborn Care in Bihar	Research
106	Strengthening the Capacity Building Initiatives of the State Institute of Health Management and Communication (SIHMC), Phase-II	Capacity Building
107	Develop/Adapt and Field Test Capacity Building Package for Reproductive and Child Health (RCH) Programme Managers-I	Capacity Building
108	Development of Module on Gender Equity in Health for Post Graduate Diploma in Public Health Management	Research
109	Ferrous Sucrose in Pregnant Anaemic Women in India (FeSPAWE)-A Randomized Open Label Study, Phase-I	Research

Sr.No	Title	Activity
110	Technical Assistance to Government of Jharkhand to Develop Human Resource Strategy for the Department of Health and Family Welfare	Technical Assistance
111	Migration, Poverty and Access to Healthcare: A Multi-Centric Study on People's Access and Health System's Responsiveness in Fast Growing Smaller Cities in India (Nasik)	Research
112	Challenges to Accessing and Remaining on ART in India: Perspectives of Mothers and Children Living with HIV	Research
113	Global Health Course in Master's Programme in Sustainable Development Practice at TERI University	Capacity Building
114	A Scalable Approach to Improve the Coverage, Quality and Impact on MNCH Care in the Urban Slums of Delhi: Developing a Package of MNCH Care Facilitated through an Urban Community Health Worker: The ANCHUL (Ante Natal and Child Health Care in Urban Slums)	Research
115	Development of Post Graduate Diploma in Management of Reproductive and Child Health Programmes	Capacity Building
116	Intensive Professional Programme in Sexually Transmitted Infections and HIV (PSLP)	Capacity Building
117	Role of Single Photon Emission Computed Tomography (SPECT)-Myocardial Perfusion Imaging (MPI) and Coronary Computed Tomography (CT) Angiography in the Assessment of Patients at Intermediate Risk of Coronary Events - A Pilot Randomized Controlled Trial (IAEA)	Research
118	Workload and Knowledge, Attitude, Behaviour and Practices (KABP) Analysis of Integrated Counselling and Testing Centre (ICTC) and Anti-Retroviral Therapy (ART) Counsellors	Research
119	Strengthening the Capacity Building Initiatives of the State Institute of Health Management and Communication (SIHMC), Phase-I	Capacity Building
120	Effect of Heating on the Trans-Fatty Acid Content of Commonly Consumed Indian Edible Oils and Fried Snacks in South Delhi	Research
121	Short Intensive Professional Programmes in HIV under Australia Leadership Award Fellowship (ALAF)	Academic
122	Community Based Maternal Death Audit (MDA) in one District of Uttar Pradesh	Research
123	Developing a Policy Research Framework to Characterize the Regulatory Environments of Mixed Health Care Systems	Research
124	Situational Analysis of World Food Program's Flour Fortification Project in Madhya Pradesh	Research
125	Reaching Everyone: Strengthening Public Health Education	Capacity Building
126	Technical Assistance to the Government of Jharkhand to Operationalize First Referral Units (FRU), Phase-II	Technical Assistance
127	Assessment of Navjaat Shishu Suraksha Karyakaram	Research
128	Regulating the Availability of TB Medicines in India: A Policy Process Appraisal	Research

Sr.No	Title	Activity
129	Prepare a User Friendly Document Reviewing Global Lessons in Nutrition Security from Select Countries that Resulted in Reduction in Malnutrition Amongst their Populations	Research
130	An Evaluation of Special Care Newborn Units in Eight Districts in India (SCNU)	Research
131	Strengthening Public Health Workforce Capacity in India by Establishing New Institutes of Public Health, Undertaking Research, Advocacy, Policy Information Activities, Strengthening Existing Institutions and Facilitating Establishment of Standards in Public Health Education	Capacity Building
132	Mobility of Health Professionals (MOHProf) Project	Research
133	Give2Asia Grant for IIPH Delhi	Capacity Building
