## **Vice President- Academics, PHFI**

**Dear Colleagues,**

**Greetings from Public Health Foundation of India!**

I am delighted to present you the Placement Brochure for the year 2020-21. I would like to take this opportunity to thank you for the invaluable support you have extended to us over the years.

In a very short span of time, Indian Institutes of Public Health (IIPHs) have made a niche by providing competency driven academic programs in public health. Through our journey of academic programs we have constantly evolved to match with the changing requirements of employers. Our academic programs have been designed and consistently upgraded to help students acquire skills to identify and respond to current public health challenges. The programs are structured on a multi-disciplinary curriculum, including epidemiology, biostatistics, public health management, demography, sociology, health promotion and health economics. A blend of theoretical knowledge and practical skills can be seen at its best in our curriculum. The academic sessions and assignments have been designed and consistently upgraded by us to enable the students learn different aspects in the changing world of public health, through guest lectures, field visits, class assignments, presentations, group work etc.

Our students of outgoing batches of MPH, MSc, MHA and PGDPHM program across IIPHs for academic year 2020-2021 comprises of enthusiastic, vibrant, energetic and professionally competent students with heterogeneous background, persona and motivation for joining public health. Despite the heterogeneity, they are united by their values and commitment to create a niche for themselves in public health sector. I am sure that their commitment will make them a great asset to your organisation. Over the years, the employers have given a very positive feedback about our students, about their knowledge and skills in public health, commitment towards work and innovative ideas.

I wish a very successful career ahead to these students and extend a warm welcome to the prospective employers to include IIPHs in their list of prominent institutions to be visited for campus placements. I am confident that our collaboration will go a long way and be helpful for these budding public health professionals to build their career. On behalf of the IIPHs, I extend a warm welcome to your organisation to participate in the placement process.

**Prof. Sanjay Zodpey, MD, PhD**

Vice President- Academics, Public Health Foundation of India

## About Public Health Foundation of India

The Public Health Foundation of India (PHFI) is a public private partnership launched in 2006 with support from the Ministry of Health and Family Welfare (MoHFW).

PHFI was launched to redress the limited institutional capacity in India for strengthening training, research and policy development in the area of Public Health. The creation of PHFI was enabled by the Ministry of Health and Family Welfare, Government of India and was supported by several state governments, foundations including Bill and Melinda Gates Foundation, Wellcome Trust and the philanthropic private sector. PHFI adopts a broad, integrative, multi-disciplinary and multi sectoral approach to public health and engages with the many dimensions of public health that encompass promotive, preventive and therapeutic services. PHFI aims to play an enabling role in the transformation of India's health scenario by working collaboratively with all stakeholders in the health system. It provides technical support and assistance to state governments for informing and aiding governmental initiatives. It also engages with the research community, academia, NGOs, civil society and international agencies towards a collective action on health.

***“Institutions (like PHFI) have a catalytic role to play (in the public health sphere in India) and can bring a transformational change.”***

Hon' Prime Minister, Narendra Modi -at the IIPH-Gandhinagar Bhoomi Poojan ceremony during his tenure as Chief Minister of Gujarat, 2007

***“Our vision is to strengthen India's public health institutional and systems capability and provide knowledge to achieve better health outcomes for all “***

## Mission

- Developing the public health workforce and setting standards
- Advancing public health research and technology
- Strengthening knowledge application and evidence-informed public health practice and policy

# Values

<p><b>Transparency</b></p> <ul style="list-style-type: none"> <li>• Uphold the trust of our multiple stakeholders and supporters</li> <li>• Honest, open and ethical in all we do, acting always with integrity</li> </ul>	<p><b>Excellence</b></p> <ul style="list-style-type: none"> <li>• Aim for highest standards in all aspects of our work</li> <li>• Encourage, recognise and celebrate our achievements</li> </ul>
<p><b>Impact</b></p> <ul style="list-style-type: none"> <li>• Link efforts to improving public health outcomes, knowledge to action</li> <li>• Responsive to existing and emerging public health priorities</li> </ul>	<p><b>Independence</b></p> <ul style="list-style-type: none"> <li>• Independent view &amp; voice, based on research integrity &amp; excellence</li> <li>• Support academic and research freedom, contributing to public health goals and interests</li> </ul>
<p><b>Informed</b></p> <ul style="list-style-type: none"> <li>• Knowledge based, evidence driven approach in all we do</li> <li>• Drawing on diverse and multi-disciplinary expertise, open to innovative approaches</li> </ul>	<p><b>Inclusiveness</b></p> <ul style="list-style-type: none"> <li>• Strive for equitable and sustainable development, working with communities</li> <li>• Collaborate and partner with other public health organisations</li> </ul>

# Charter

The PHFI is working towards building public health capacity in India by:

- Establishing Indian Institutes of Public Health (IIPHS)
- Assisting existing institutes to enhance their capacity and output
- Promoting research in prioritised areas of public health to inform policy and empower programmes
- Facilitating policy development, programme evaluation, and advocacy on public health related issues
- Enabling the setting of standards in public health education

# Public Health Education at PHFI

Over the past decade, **PHFI has established five Indian Institutes of Public Health (IIPHS)** located at Gandhinagar in Gujarat, Hyderabad in Telangana, Gurugram in Delhi/NCR, Bhubaneswar in Odisha and Shillong in Meghalaya. The Indian Institute of Public Health – Gandhinagar (IIPH-G) has been granted University status by a legislative act of Gujarat state in May 2015. These institutes help address the current shortage of trained public health professionals and workers by providing world class, India relevant programs in affiliation with renowned overseas Universities. The institutes deliver the courses in partnership with the central and the state governments.

The mission of PHFI and IIPHS is to respond to India's public health challenges, initiate and catalyse action for better health outcomes. The IIPHS strive to contribute towards creation of an effective public health workforce in the country. PHFI and its constituent Indian Institutes of Public Health are engaged in program and policy-relevant research, as well as imparting world-class education that is contextualized for the Indian setting. PHFI has also established several Centres of Excellence which work on cutting-edge evidence generation for informing public policy. These Centres of Excellence and our multidisciplinary team of researchers, with medical and non-medical backgrounds who specialize in technical areas such as health economics, health systems and financing, policy analysis, infectious diseases, chronic diseases, program management, epidemiology, clinical research, genetics, nutrition, biostatistics and demography bring a unique richness to the working environment at the Foundation.

The Indian Institutes of Public Health are delivering full-time one year **Post Graduate Diploma in Public Health Management (PGDPHM)**; two year **Master in Public Health (MPH)**; two year **Master in Hospital Administration (MHA)** and two **Integrated MSc and PhD Programs in Clinical Research and Health Informatics**. An internship/ training of 3-6 months is an important and mandatory component of each academic program. These programs are aimed at fresh graduates as well as experienced professionals from medical & allied health sciences, life sciences, social sciences. The programs are also attended by mid-level government officials nominated by the various State Governments.

***Emerging as an institute of excellence in public health, our faculty brings multi-disciplinary experience and has hands on expertise in local, national, and international health settings.***

These courses are targeted at a wide variety of graduates who are interested in public health training at large. The course eligibility criteria reflect the need for multi-disciplinary inputs that are vital to public health. IIPHS have over 65 highly qualified faculty and 100 technical staff with diverse experience. Their expertise is being put to good use in research, teaching and the practice of public health.

## On-Campus Programs Offered By PHFI

Name of the Program	Duration	Offered at
PhD (Full time) in Health Sciences/ Public Health	Min. 3 years	IIPH-Delhi <sup>(1)</sup>
PhD in Public Health	Min. 3 years	IIPH-Gandhinagar <sup>(2)</sup>
Integrated MSc & PhD in Clinical Research*	2 years for MSc and min. 3 years for PhD	IIPH-Delhi
Integrated MSc & PhD in Health Informatics*	2 years for MSc and min. 3 years for PhD	IIPH-Hyderabad
Master of Public Health (MPH)	2 years	IIPH-Delhi <sup>(1)</sup> , IIPH-Gandhinagar <sup>(2)</sup> , IIPH-Hyderabad <sup>(3)</sup> , IIPH-Shillong <sup>(4)</sup> , IIPH-Bhubaneswar <sup>(5)</sup> (proposed)
Master of Hospital Administration (MHA)	2 years	IIPH-Gandhinagar <sup>(2)</sup>
Post Graduate Diploma in Public Health Management (PGDPHM)#	1 year	IIPH-Delhi, IIPH-Gandhinagar, IIPH-Hyderabad and IIPH-Bhubaneswar
Associate Fellow of Industrial Health (AFIH)^	3 months	IIPH-Gandhinagar
Certificate Course on Geriatric Health Caregiving@	4 months	IIPH-Gandhinagar
Certificate Course in Community Health (CCCH)^^	6 months	IIPH-Gandhinagar
Certificate Course in Public Health Management (CCPHM)##	3 months	IIPH-Bhubaneswar

<sup>1</sup> Affiliated to Sree Chitra Tirunal Institute for Medical Sciences and Technology (SCTIMST) Trivandrum, an Institute of National Importance under Govt. of India

<sup>2</sup> Offered by Indian Institute of Public Health Gandhinagar, Gujarat, India (A University under State Govt. Act)

<sup>3</sup> Affiliated to Kaloji Narayana Rao University of Health Sciences, Telangana

<sup>4</sup> In collaboration with Martin Luther Christian University, Shillong

<sup>5</sup> In collaboration with Utkal University, Bhubaneswar, Odisha (proposed)

\* A two-year Master's program (MSc in Clinical Research or Health Informatics), with the option of pursuing a PhD, if eligible, as an Integrated MSc-PhD in Clinical Research or Health Informatics. Offered in collaboration with Academy of Scientific & Innovative Research (AcSIR), an Institute of National Importance established by Act of Parliament

\* Supported under National Health Mission (NHM), MoHFW, Govt. of India

^ Regulated by Directorate General, Factory Advice and Labour Institutes (DGFASLI), Govt. of India

@ Offered by Indian Institute of Public Health Gandhinagar with support from Gujarat State Financial Services Limited and facilitated by Gujarat CSR Authority

^^ Offered by Indian Institute of Public Health Gandhinagar with support from State Institute of Health and Family Welfare Gujarat

## Offered in collaboration with Department of Health & Family Welfare, Odisha

## Why recruit IIPHs graduates?

Admissions to IIPHs are purely based on the candidates' merit and caters to applicants with varied academic backgrounds. The unique selection criteria at IIPHs includes analysing the candidate's attitude and focus towards the specialised field through a statement of purpose as a part of the application, followed by selection interview. This ensures selection of students who are not only the most capable but also those who are aligned to the specific course.

The course design is competency driven and caters to multiple-disciplines. The teaching methods includes seminars, group assignments, quizzes, case studies and role plays. We also offer professional skills development program (PDP) to prepare the students for employability after the course completion. Our academic programs include a 3-6 months internship and dissertation, which prepares the students to pursue a wide range of career paths post completion of the academic programs.

- *Recruit our graduates and students for jobs and internships, and you will benefit from talent that comes equipped with skills in program management, problem solving skills and multi-tasking abilities*
- *Recruit the best candidates with multi-disciplinary background, who will make a real difference to your public health projects by application of their skill sets drawn from practical application of theory*
- *Our graduates are well equipped with technical and non-technical skills to work in public health and other allied healthcare sectors*
- *Our mandatory internship and dissertation component gives the students an exposure to practical public health challenges and ways to address them.*
- *Our graduates are appreciated by employers for innovation at work and their commitment to bring a difference by willingness to work at community level*
- *Batch diversity allows flexibility for employers to choose and recruit at the entry, middle management and senior management levels of organizations.*

# Students' Profile

## Post Graduate Diploma in Public Health Management (PGDPHM)

The program aims to bridge the gap in the public health managerial capacity amongst health professionals in the country. It is designed to enhance the capacity of the public health managerial workforce and to impart knowledge and skills to address and resolve key health management challenges. A major strength of the program is, providing participants with opportunities to apply learning directly within the community setting. The program is offered at IIPH-Delhi NCR, IIPH-Gandhinagar, IIPH-Bhubaneswar and IIPH-Hyderabad

## Curriculum of PGDPHM (Core Modules)

<ul style="list-style-type: none"><li>• Introduction to public health</li><li>• Demography</li><li>• Behaviour and social sciences in health</li><li>• Epidemiology</li><li>• Health communication &amp; promotion</li><li>• Biostatistics</li><li>• Operations research and research methods</li><li>• Environmental and occupational health</li><li>• Communicable diseases</li><li>• Public health nutrition</li><li>• Non-communicable diseases</li><li>• Essentials of health economics, health financing and insurance</li><li>• Disease surveillance</li></ul>	<ul style="list-style-type: none"><li>• Health policy and planning</li><li>• Logistic planning and drug distribution</li><li>• Urban health</li><li>• Project management</li><li>• Organizational behaviour</li><li>• Human resource management</li><li>• Quality, equity &amp; access to health care</li><li>• Health management information system (HMIS)</li><li>• Management of national health programs</li><li>• Health systems, national rural health mission (NRHM) and health sector reforms</li><li>• Financial management</li><li>• Management of MCH/RCH</li></ul>

## Students Profile of PGDPHM (Indian Institute of Public Health-Delhi NCR)

### MS. ARZOO FIRDAUS

Qualification : Bachelor of Science (B.Sc)- Medical Records

Work Experience in years : 1 year

#### Areas of interest

1. Maternal and child health
2. Rural development
3. Communicable and non-communicable diseases

#### Work experience

Dignity foundation, Area Coordinator

### MS. AVINASH KAUR

Qualification : MSc- Biotechnology  
Bachelor of Science (B.Sc)- Biotechnology

Work Experience in years : 7 years

#### Areas of interest

1. Program management
2. Data analysis, modelling, and interpretation
3. Health promotion and education
4. Research methods

#### Work experience

1. Evalueserve: (i) Manager; (ii) Research Lead ; (iii) Senior Business Analyst
2. GlobalData, (i) Senior Analyst; (ii) Analyst; (iii) Associate Analyst

#### Achievements/ Extra-curricular activities

1. Evalueserve Certified Champion Manager, 2016
2. Evalueserve Employee Performance Award for Exceptional Contributor, 2015
3. Evalueserve Innovation Champion Award, 2014
4. Received GlobalData Employee of the Quarter award three times.
5. Received "Achiever Award for Business Acumen and Awareness" in the 2010 from Amity University
6. Designated the post of Marshall of Wildlife and Environment from Bhandhavgarh National Park

### DR. RICHA MISHRA

Qualification : PhD (Biological sciences)  
Bachelor of Science (B.Sc)

Work Experience in years : 1 year

#### Areas of interest

1. Non-communicable diseases
2. Research methods
3. Health communication and promotion

#### Work experience

National Institute of Immunology, Research Associate

## Achievements/ Extra-curricular activities

### 1. Publications:

- Dubey R, Malhotra SS, Gupta SK. Forskolin-mediated BeWo cell fusion involves down-regulation of miR-92a-1-5p that targets dysferlin and protein kinase cAMP-activated catalytic subunit alpha. Am J Reprod Immunol 2018, doi: 10.1111/aji.12834.
- Dubey R and Saini N: STAT6 silencing up-regulates cholesterol synthesis via miR-197/FOXJ2 axis and induces ER stress mediated apoptosis in lung cancer cells. Biochim Biophys Acta Gene Regulatory Mechanisms 2015, 1849(1):32-43.
- Dubey R, Chhabra R, Saini N: Small Interfering RNA against Transcription Factor STAT6 leads to increased cholesterol synthesis in lung cancer cell lines. PLoS One 2011, 6(12): e28509.
- Chhabra R, Dubey R, Saini N: Gene expression profiling indicate role of ER stress in miR-23a~27a~24-2 cluster induced apoptosis in HEK293T cells. RNA Biol 2011, 8.
- Chhabra R, Dubey R, Saini N: Cooperative and individualistic functions of the microRNAs in the miR-23a~27a~24-2 cluster and its implication in human diseases. Mol Cancer 2010, 9:232.

2. Awarded Senior Research Fellowship (SRF) from Council of Scientific and Industrial Research (CSIR), Government of India, April 2011.

### 3. Paper presentation:

- Richa Dubey, Neeru Saini (2013) STAT6 mediated mRNA-miRNA regulatory networks in lung cancer cells. Poster presented at 32nd Annual Convention of Indian Association for Cancer Research (IACR) & International Symposium on "Infection & Cancer", Delhi, from FEB 13th-16th, 2013.
- Richa Dubey, Neeru Saini (2012) STAT6 downregulation promotes apoptosis and enhances cholesterol levels in lung cancer cells. Poster presented at 3rd International conference on Stem cells and Cancer (ICSCC-2012), New Delhi, from OCT 27th-30th, 2012.

4. Won the Best poster presentation award at 3rd International conference on Stem cells and Cancer (ICSCC-2012) held at New Delhi, from OCT 27th-30th, 2012.

### DR. RAVI PANDEY

Qualification : Post Graduate Diploma in Hospital and Health Management (PGDHHM)  
Bachelor of Dental Surgery (B.D.S.)

Work Experience in years : 10 year

#### Areas of interest

1. Program management and strategic management
2. Non-communicable diseases
3. Maternal and child health care
4. Public health nutrition

#### Work experience

1. Dental and Medical Health Care Center, *Consultant dentist*
2. Heritage Health TPA, Indore, *Medical Investigator*
3. Index Medical College and Research Center, *Junior Resident*
4. Sai Shayog Hospital and Research Center, *Dentist*

### DR. RUPALI RAI

Qualification : Bachelor of Dental Surgery (B.D.S.)

Work Experience in years : 4.5 year

#### Areas of interest

1. Non-communicable diseases
2. Health policy and planning
3. Maternal and child health
4. Health economics

#### Work experience

1. Powai Dental Clinic and Hospital, *Dental Surgeon*
2. Dental Speciality and Medical Clinic, *Assistant Dentist*
3. The Apollo Clinic, *Associate Dentist*
4. Kundra Dental Care Centre, *Observer/Dentist*

### *Achievements/ Extra-curricular activities*

1. Awarded Best Scientific paper on topic “ Oral cancer in symposium” in National Seminar on Oral medicine and Radiology, Chennai.
2. Participated in Free Dental Health check up program as part of Oral Health Month.
3. Volunteered in several Dental screening and treatment programs in Schools, MNCs, RWA's in Delhi and Mumbai.
4. Attended many national seminars and conferences on Dentistry.
5. Actively participated in various cultural and sports activities during graduation years.
6. Member of Indian Dental Association

### **DR. SANKALP SHRIVASTAVA**

Qualification : Bachelor of Dental Surgery (B.D.S.)

Work Experience in years : *10 year*

#### *Areas of interest*

- |                     |                            |
|---------------------|----------------------------|
| 1. Health promotion | 2. Noncommunicable disease |
| 3. Nutrition        | 4. Environmental health    |

#### *Work experience*

1. Root Canal Dental Centre Gwalior, *Consultant Dental Surgeon*
2. Institute of Dental Education & Advance Studies, *Tutor*

### **MS. SIA ROY JAIN**

Qualification : Bachelor of Science (B.Sc)- Animal Sciences

Work Experience in years : *3 year*

#### *Areas of interest*

- |                          |                              |
|--------------------------|------------------------------|
| 1. Urban health          | 2. Non-communicable diseases |
| 3. Communicable diseases | 4. Nutrition                 |

#### *Work experience*

1. Wildlife Medical Clinic, University of Illinois, *Undergraduate Clinical Assistant*
2. R. Knox Swine Reproduction Lab, *Undergraduate Research Assistant*
3. H.H Stein Monogastric Nutrition Lab, *Undergraduate Research Assistant*

### *Achievements/ Extra-curricular activities*

1. Internship at pathology lab and veterinary clinics (including surgery)

## DR. SUMEETA KUMARI

Qualification : Bachelor of Dental Surgery (B.D.S.)

Work Experience in years : *More than 10 years*

### Areas of interest

1. Public health policy - framing, deployment, and monitoring
2. Program management
3. Urban health

### Work experience

Crest32 Dental Care, *Founder and Dental Surgeon*

Guru Harsaran Dass Dental College, *Tutor*

Guru Nanak charitable trust New Delhi, *Dental Surgeon*

### Achievements/ Extra-curricular activities

1. Research paper on HIV Induced Candidiasis, India Academy of oral medicine & radiology
2. Participation in the Oral medicine and radiology by the Indian academy of oral medicine and radiology
3. Workshop on Tobacco cessation by State tobacco control cell & Govt of Tamil Nadu
4. CDE programs on Cleft, Dental caries index, and endodontics

## DR. UDAY KUMAR ROY

Qualification : Bachelor of Dental Surgery (B.D.S.)

Work Experience in years : *3 year*

### Areas of interest

1. Health communication and promotion
2. Health system
3. Public health nutrition
4. Non-communicable diseases

### Work experience

1. Kido Smile Multi Speciality Dental Clinic, *Junior Doctor*

2. Maa Brahmni Oro Dental Hospital, *Assistant Doctor*

3. Sagar Smiles Dental Clinic, *Assistant Doctor*

4. 10 Dental Unit Assam Rifles, *Civil Dentist*

## DR. VAIDEHI GOHEL

Qualification : Bachelor of Homeopathic Medicine and Surgery (B.H.M.S.)

Work Experience in years : *2 year*

### Areas of interest

1. Maternal and child health
2. Communicable and non-communicable diseases
3. Rural health nutritional programs

### Work experience

1. Dr Jivraj Mehta Hospital , (I) *Medical Officer*; (ii) *Covid Warriors*

3. Sarsa CHC, *Clinical Assistant*

4. Navli and Vehrakhadi PHC, *Clinical Assistant and Field Worker*

## Master of Public Health (MPH)

The MPH program has been designed to help participants acquire skills to examine and respond to current public health challenges. The program is structured on a multi-disciplinary curriculum, including public health management, epidemiology and biostatistics, demography, social sciences, health promotion, health economics and policy, and other important disciplines.

### Curriculum of MPH at Indian Institute of Public Health -Delhi NCR

- Introduction to public health
- Epidemiology
- Biostatistics and data management
- Social and behavioral sciences in health
- Environmental and occupational health
- Demography
- National health program
- Disaster management
- Global health
- Leadership, communication and training skills
- Reproductive and child health
- Health policy and management

- Public health nutrition
- Research methods
- Urban health
- Gender, vulnerable population and emerging issues
- Communicable and non-communicable diseases
- Health communication and promotion
- Health economics, health financing and health policy
- Monitoring and evaluation
- Public health ethics and law
- Scientific writing

#### *Tracks in 3<sup>rd</sup> Semester*

- Health economics, financing and policy
- Public health research

## Students Profile of MPH (Indian Institute of Public Health-Delhi NCR)

### DR. AASTHA SINGH

Qualification : Bachelor of Dental Surgery (BDS)

Work Experience in years : 1 year

#### Areas of interest

1. Non-communicable diseases
2. Health promotion
3. Project management
4. Global health

#### Dissertation topic in MPH 4<sup>th</sup> semester

*Career preferences for post graduation among final year dental students and the factors influencing their choices*

#### Work experience

The Tooth Dental Clinic, Dental Surgeon

#### Achievements/ Extra-curricular activities

1. Currently volunteering at “Project Show up for caregivers”, Part of Every Infant Matters and Revival Magazine. Previously, active participation in Outdoor camps for diagnosis and screening and treatment, National Health Mission (NHM) programs in various regions of Delhi, NCR and Tobacco Cessation Program.
2. Awarded “McKinsey & Company Sashaktikaran Scholarship” for academic year 2019-2020 of MPH.
3. Part of Student Council as Class Representative of MPH 2019-2021 Batch.
4. Participated in Indian Dental Student Conference, 2016; finalist in All India Poster Competition in IDC, 2016 while presenting scientific poster on ‘Alternatives of Tobacco- E-cigarettes’ in IDS Conference, 2016.
5. National, District, State and Zonal participation in Athletics, Kho-kho and Badminton.
6. Internship with NGO Barefoot college for NTPC “Girls Empowerment Mission”, Auraiya, Uttar Pradesh as Centre Manager from 10th May, 2019 to 16th June, 2019.

### DR. AISHWARYA ROHATGI

Qualification : Bachelor of Dental Surgery (B.D.S.)

Work Experience in years : Fresher

#### Areas of interest

1. Health system and program management
2. Health economics, finance and policy
3. Environment health
4. Non-communicable diseases

#### Dissertation topic in MPH 4<sup>th</sup> semester

*Preference of institutional deliveries among pregnant women in Bhojpur district in Bihar.*

#### Achievements/ Extra-curricular activities

Diamond Dental Clinic, *Junior Dentist*

#### Achievements/ Extra-curricular activities

1. Presented paper : "Probiotics" in 2nd TELANGANA state dental conference
2. Silver medal from IDA-Colgate Scholarship for being aggregate topper of the batch
3. NCC "C" certificate holder

### MS. ANANTHA AKHILA REDDY

Qualification : B.E- EEE

Work Experience in years : *Fresher*

#### Areas of interest

- |                              |                        |
|------------------------------|------------------------|
| 1. Bio statistics            | 2. Epidemiology        |
| 3. Maternal and child health | 4. Occupational health |

#### Internship during MPH

3 months during MPH 2nd semester

**Organisation:** CBM International

**Project:** *Impact of COVID 19 on people with Disabilities and CBID*

### DR. ANJALI MASIH

Qualification : Bachelor of Dental Surgery (B.D.S.)

Work Experience in years : *Fresher*

#### Areas of interest

1. Non-communicable and communicable diseases
2. Mental health
3. Health policy and planning
4. Urban health / global health

#### Internship during MPH

2 months during MPH 2nd semester

**Organisation:** Foundation of Healthcare Technologies Society (Delhi)

**Project:** *SMAART Rapid Tracker for COVID-19 Globally*

#### Achievements/ Extra-curricular activities

1. Poem Written on Covid-19 in the Connect-Chancellor Program by Telangana Government- Received The Consolation Prize

## MS. BATHUKA NAGALAXMI YADAV

Qualification : Bsc Nursing

Work Experience in years : *Fresher*

### Areas of interest

1. Epidemiology
2. Surveillance
3. Biostatistics

### Internship during MPH

2 months during MPH 2nd semester

**Organisation:** District medical and Health Office Adilabad District

**Project:** *Monitoring and evaluation of functionalities in Primary Health Centre and Subcentre*

### Achievements/ Extra-curricular activities

1. Volunteered in health camps
2. Participated in School Health Programs
3. Participated in Community health Programs
4. Project on A Study regarding Anaemia among Primi gravida Pregnant women during undergraduation

## MR. BHUKYA KISHAN

Qualification : Bsc Nursing

Work Experience in years : *Less than 1 year experience*

### Areas of interest

1. Maternal and child health
2. Tribal health
3. Communicable and non communicable diseases

### Internship during MPH

2 months during MPH 2nd semester

**Organisation:** DM&HO Office ,Mahabubabad

**Project:** *Maternal and child health*

### Work experience

Mamta general & super speciality Hospital, (Telangana), *Nurse*

### Achievements/ Extra-curricular activities

## Curriculum of MPH at Indian Institute of Public Health -Shillong

The MPH program is designed to prepare students in problem solving and critical thinking in the public health domain, to work in socially, culturally and economically diverse populations by being attentive to needs of vulnerable and disadvantaged groups and well versed with existing health systems. It will also help promote qualities of leadership and effective use of communication skills for health advocacy among the students.

**DR. PINAL VIRAMGAMA**

Qualification : Bachelor in Physiotherapy (B.P.T)

Work experience in years : *Fresher*

**Areas of interest**

1. Marketing
2. Innovation
3. Quality

**Achievements/ Extra-curricular activities**

1. Attended NAZARIYA'19 on world mental health day held at IIPH- Gandhinagar

**MS. SRISHTI YASHLAHA**

Qualification : Bachelor of Science (B.Sc.)- Biotechnology

Work experience in years : *Fresher*

**Areas of interest**

1. Quality Department
2. Supply Chain Department
3. Marketing

**Achievements/Extra-curricular activities**

1. Presented poster titled Drug Discovery and Distribution at IIT Gandhinagar.
2. Recipient of merit scholarships during school and college days
3. Gold medallist in Biotechnology.
4. **Conferences attended:**
  - Nazariya'19 on World Mental Health Day by IIPH- Gandhinagar.
  - Sanjeevani Health Mela at IIT Gandhinagar

## DR. YASH SAGAR

Qualification : Bachelor of Homeopathic Medicine and Surgery (B.H.M.S.)

Work experience in years : *Fresher*

### Areas of interest

1. Operations management
2. Human resource management
3. Quality management
4. Clinical care management

### Achievements/Extra-curricular activities

#### 1. Conferences attended-

- Attended NAZARIYA'19 on world mental health day held at IIPH-Gandhinagar
- HITCON 2020 - Healthcare Technological Conference for Doctors by Management Medicos, Ahmedabad
- Symposium on Drug Discovery and Distribution at Amalthea, IIT Gandhinagar, 2019
- ACIES Public Health Conclave 2020, IIPH-Gandhinagar

# Indian Institute of Public Health- Delhi NCR

## Integrated MSc and PhD in Clinical Research

This multi-disciplinary program focusses on the scientific, ethical and operational issues related to clinical research. This Clinical Research program is a blend of principles of basic and advanced research and its application in health sector.

## Curriculum of Integrated MSc and PhD in Clinical Research

### Core Modules

- Basics in epidemiology
- Basic biostatistics
- Clinical trials- design and analysis
- Clinical trials- conduct and operational issues
- Bio-ethics and regulatory affairs
- Medical writing - proposal, protocol development, and report writing
- Basics in data management
- Pharmacovigilance and drug regulation
- Drug development
- Systematic reviews and meta-analysis
- Project management and communication

### Elective Modules\*

- Advanced statistics
- Advanced epidemiology
- Genetic epidemiology
- Advanced data management
- Economic evaluation
- Medical innovation
- Drug discovery
- Laboratory sciences
- Pharmaceutical biotechnology

### Open Electives

*\*We offer 9 electives, of which the students need to choose any 4 modules*

### Core competencies acquired through program

- Reviewing existing evidence in literature
- Developing a grant application in bio-medical research
- Managing ethics and regulatory approvals of protocol
- Managing a research project
- Managing research/clinical trial data
- Planning and executing statistical analysis
- Communicating research results to scientific community

## Students Profile of Integrated MSc and PhD in Clinical Research (Indian Institute of Public Health-Delhi NCR)

### MS. PRATIKSHA SHARMA

Qualification : Bachelor of Science (B.Sc)

Work experience in years : *Fresher*

#### Areas of interest

1. Clinical data management
2. Genetic epidemiology
3. Statistical analysis
4. Clinical trial design and analysis

#### Internship

6 week internship during M.Sc.CR 2nd semester

**Organisation:** PHFI

*Project: Examining causal relationship between regional body fat distribution and lipid levels in India*

#### Dissertation

Validation of genetic variants related to T2D in Indian population

### MS. RIA SINHA

Qualification : Bachelor of Science (B.Sc)

Work experience in years : *Fresher*

#### Areas of interest

1. Biostatistics
2. Clinical data management
3. Genetic epidemiology
4. Clinical trial and conduct

#### Internship

6 week internship during M.Sc.CR 2nd semester

**Organisation:** PHFI

*Project name: Examining causal relationship between regional body fat distribution and lipid levels in India.*

#### Dissertation

6 months dissertation during MSc Clinical Research 2nd year

Validation of genetic variants related to COPD in Indian population

### MS. VERSHA

Qualification : Bachelor of Science (B.Sc)

Work experience in years : *Fresher*

#### Areas of interest

1. Clinical data management
2. Design and conduct of clinical trials
3. Ethical and regulatory aspect of clinical research

#### Internship

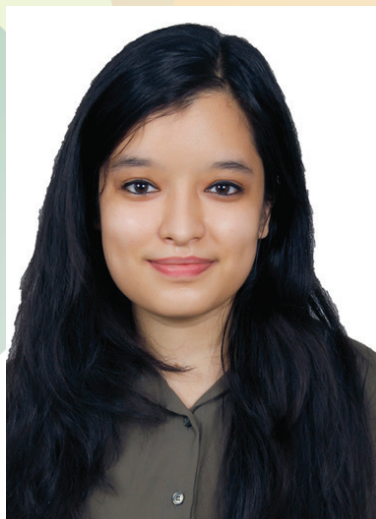

4 weeks internship during M.Sc.CR 2nd semester

**Organisation:** National Centre for Disease Control

*Project: Analysis of COVID-19 related mortality data from states and National level*

### Achievements/ Extra-curricular activities

- Volunteership for 1 year with Aman Saathi Centre for equity studies place Kilkari rainbow home, Kashmiri gate

### MS. PARIDHI JAIN

Qualification : Bachelor of Science (B.Sc)

Work experience in years : *Fresher*

#### Areas of interest

1. Pharmacovigilance and economic evaluations
2. Drug development (BA/BE trials)
3. Clinical trial design and analysis
4. Clinical data management

#### Internship

6 week internship during M.Sc.CR 2nd semester

**Organisation:** Guwahati Medical College

*Project: Data analysis on a study on association of body weight and neurocognitive intelligence in children*

### Dissertation topic

#### 6 months dissertation during MSc Clinical Research 2nd year

Cost analysis of breast cancer treatment in its different stages- a hospital based cross-sectional study

### Achievements/ Extra-curricular activities

1. Hosted cultural event at IIPHD 'UMANG 2020'
2. Conducted On-Job training session for radiologists at Fortis Hospital, Mulund on "Physics and application of CT scan"
3. Selected to appear at AFSB Gandhinagar after clearing AFCAT

### MS. KIRTHANA NAIR

Qualification : Bachelor of Science (B.Sc)

Work experience in years : *Fresher*

#### Areas of interest

1. Pharmacovigilance
2. Clinical data management
3. Drug development
4. Medical writing

#### Internship

6 week internship during M.Sc.CR 2nd semester

**Organisation:** IIPH-Delhi

*Project: Digoxin in patients with rheumatic heart disease-a randomised placebo controlled trial*

### Dissertation topic

An assessment of treatment satisfaction, adverse effects and cost analysis of three drugs-Denosumab, Teriparatide and Zoledronic acid for Osteoporosis

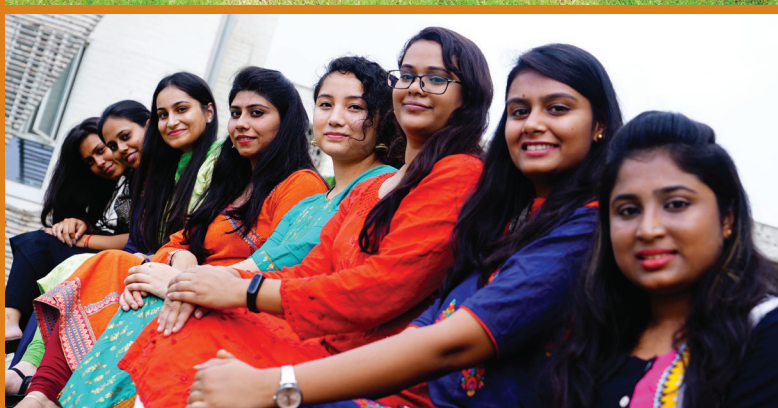

### Achievements/ Extra-curricular activities

1. Interned for one month with The Ministry of Women and Child Development under "Scheme Ujjawala".
2. Trained Bharatanatyam dancer

## eLearning programs offered at PHFI

S. No.	eLearning Programs	Institution	Duration
1.	ePost Graduate Program in Public Health Nutrition	IIPH-Delhi	1 year
2.	ePost Graduate Program in Epidemiology	IIPH-Delhi	1 year
3.	ePost Graduate Program in Management of Reproductive and Child Health Programmes	IIPH-Delhi	1 year
4.	ePost Graduate Program in Health Promotion	PHFI	1 year
5.	ePost Graduate Program in Public Health & Hospital Management for Nursing & Allied Health Professionals	IIPH-Gandhinagar	1 year
6.	ePost Graduate Program in Public Health Services Management	IIPH-Bhubaneswar	1 year
7.	ePost Graduate Program in Health Economics, Health Care Financing & Policy	IIPH- Delhi	1 year
8.	eCourse in Research Methodology	IIPH-Gandhinagar	6 months
9.	eCourse in STI & HIV/AIDS	IIPH -Delhi	6 months
10.	eCourse on Monitoring & Evaluation of Health Programs	IIPH- Delhi	6 months
11.	eCourse on GIS Application in Public Health	IIPH- Delhi	6 months
12.	eCourse in Public Health Surveillance	IIPH- Hyderabad	6 months
13.	eCourse on Public Health Development for ICDS Officials	IIPH- Delhi	6 months
14.	eCourse in Advanced Hospital Management	IIPH- Gandhinagar	6 months
15.	eCourse in Health, Safety & Environment Management	IIPH - Gandhinagar	4 months
16.	eCourse in Good Public Health and Clinical Laboratory Practices	IIPH-Bhubaneswar	4 months
17.	eCourse in Clinical Research Methods	IIPH-Delhi	4 months
18.	eCourse in Tobacco Control	PHFI	3 months
19.	eCourse in Research Ethics	IIPH- Delhi	3 months
20.	eCourse in Effective Grant Writing in Public Health	IIPH -Gandhinagar	3 months
