Medical Writing (Feb 01 - 04, 2022)

Last date of registration: 18th January 2022

Course Director: Prof. Sanjay Zodpey, Director, Indian Institute of Public Health-Delhi

Course Coordinator: **Dr. Himanshu Negandhi**, Project Director and Adjunct Additional Professor,
Indian Institute of Public Health-Delhi, Public Health Foundation of India

Link to registration form: <http://tof.phfi.org/>

About the course

Medical writing includes developing a proposal/ grant application to undertake research, writing a report after completion of the study and writing for a scientific journal. Writing scientific papers is hard even for persons who have a natural skill for writing. A clear and transparent reporting of research finding is essential to avoid misinterpretation of the study results. This workshop is intended to impart researchers with basic skills in medical writing and get introduced to standard reporting guidelines for various research designs.

Contents

- Literature review
- Referencing methods and plagiarism
- Proposal writing
- Requirements for grant submission
- Writing a report
- Writing for a scientific journal
- Reporting Guidelines
- Submission process to medical journals
- Peer reviewing and responding to peer reviewers' comments

About the Faculty

Dr. Himanshu Negandhi, the key resource faculty, has been trained as a medical postgraduate in public health. He has experience of teaching public health to postgraduate medical students, paramedics and in-service public health professionals over his career. He has also been actively engaged in curriculum designing, teaching and training of public health courses. His areas of interest include Program Evaluation, Systematic Reviews, Health Effect Measurements and Program Evaluation. He is currently pursuing an active interest in evidence-based medicine and linking evidence to policy.
