Few employers' of IIPHS graduates

*From the desk of*

**Vice President- Academics, PHFI**

Dear Colleagues,  
Greetings from Public Health Foundation of India!  
I am delighted to present you the Placement Brochure for the year 2021-22. I would like to take this opportunity to thank you for the invaluable support you have extended to us over the years.

In a very short span of time, Indian Institutes of Public Health (IIPHs) have made a niche by providing competency driven academic programs in public health. IIPHs create an inclusive and global learning environment, which prepare our students and alumni for future leadership challenges. Our alumni are working in diverse areas of public health in India and abroad and contributing to this cause in varied ways.

Our academic curriculum is benchmarked with the industry requirements and focus on field visits, case studies, class assignments, presentation, group work, journal clubs, research, hands on experience through dissertations and internships, which helps students identify and respond to current public health challenges. Alumni talks and Professional Skill Development sessions during the course, helps students develop their employability skills, which further develops a strong foundation for their career.

Our students of outgoing batches of MPH, MSc, MHA and PGDPHM program across IIPHs for academic year 2021-2022 comprises of enthusiastic, vibrant, energetic and professionally competent students with heterogeneous background, persona and motivation for working in public health and related disciplines. I am sure that their commitment will make them a great asset to your organisation. Over the years, the employers have given a very positive feedback about our students, about their knowledge and skills, commitment towards work and innovative ideas.

I wish a very successful career ahead to these students and extend a warm welcome to the prospective employers to include IIPHs in their list of prominent institutions to be visited for campus placements. I am confident that our collaboration will go a long way and be helpful for these budding public health professionals to build their career. On behalf of the IIPHs, I extend a warm welcome to your organisation to participate in the placement process.

**Professor Sanjay Zodpey, MD, PhD**

Vice President- Academics,  
Public Health Foundation of India

# About Public Health Foundation of India

The Public Health Foundation of India (PHFI) is a public private partnership launched in 2006 with support from the Ministry of Health and Family Welfare (MoHFW).

PHFI was launched to redress the limited institutional capacity in India for strengthening training, research and policy development in the area of Public Health. The creation of PHFI was enabled by the Ministry of Health and Family Welfare, Government of India and was supported by several state governments, foundations including Bill and Melinda Gates Foundation, Wellcome Trust and the philanthropic private sector. PHFI adopts a broad, integrative, multi-disciplinary and multi sectoral approach to public health and engages with the many dimensions of public health that encompass promotive, preventive and therapeutic services. PHFI aims to play an enabling role in the transformation of India's health scenario by working collaboratively with all stakeholders in the health system. It provides technical support and assistance to state governments for informing and aiding governmental initiatives. It also engages with the research community, academia, NGOs, civil society and international agencies towards a collective action on health.

***“Institutions (like PHFI) have a catalytic role to play (in the public health sphere in India) and can bring a transformational change.”***

*Hon' Prime Minister, Narendra Modi -at the IIPH-Gandhinagar Bhoomi Poojan ceremony during his tenure as Chief Minister of Gujarat, 2007*

***“Our vision is to strengthen India's public health institutional and systems capability and provide knowledge to achieve better health outcomes for all”***

## MISSION

- Developing the public health workforce and setting standards
- Advancing public health research and technology
- Strengthening knowledge application and evidence-informed public health practice and policy

# VALUES

## ***Transparency***

- Uphold the trust of our multiple stakeholders and supporters
- Honest, open and ethical in all we do, acting always with integrity

## ***Excellence***

- Aim for highest standards in all aspects of our work
- Encourage, recognise and celebrate our achievements

## ***Impact***

- Link efforts to improving public health outcomes, knowledge to action
- Responsive to existing and emerging public health priorities

## ***Independence***

- Independent view & voice, based on research integrity & excellence
- Support academic and research freedom, contributing to public health goals and interests

## ***Informed***

- Knowledge based, evidence driven approach in all we do
- Drawing on diverse and multi-disciplinary expertise, open to innovative approaches

## ***Inclusiveness***

- Strive for equitable and sustainable development, working with communities
- Collaborate and partner with other public health organisations

# Public Health Education at PHFI

Over the past decade, **PHFI has established five Indian Institutes of Public Health (IIPHS)** located at Gandhinagar in Gujarat, Hyderabad in Telangana, Gurgaon in Delhi, Bhubaneswar in Odisha and Shillong in Meghalaya. The Indian Institute of Public Health – Gandhinagar (IIPHG) has been granted University status by a legislative act of Gujarat state in May 2015. These institutes help address the current shortage of trained public health professionals and workers by providing world class, India relevant programs in affiliation with renowned Universities. The institutes deliver the courses in partnership with the central and the state governments.

The mission of PHFI and IIPHS is to respond to India's public health challenges, initiate and catalyse action for better health outcomes. The IIPHS strive to contribute towards creation of an effective public health workforce in the country. PHFI and its constituent Indian Institutes of Public Health are engaged in program and policy-relevant research, as well as imparting world-class education that is contextualized for the Indian setting. PHFI has also established several Centres of Excellence which work on cutting-edge evidence generation for informing public policy. These Centres of Excellence and our multidisciplinary team of researchers, with medical and non-medical backgrounds who specialize in technical areas such as health economics, health systems and financing, policy analysis, infectious diseases, chronic diseases, program management, epidemiology, clinical research, genetics, nutrition, biostatistics and demography bring a unique richness to the working environment at the Foundation.

The Indian Institutes of Public Health are delivering full-time one year **Post Graduate Diploma in Public Health Management (PGDPHM)**; two year **Master of Public Health (MPH)**; two year **Master of Hospital Administration (MHA)** and two year **Integrated MSc and PhD Programmes in Clinical Research and Health Informatics**. An internship/ training of 3-6 months is an important and mandatory component of each academic program. These programmes are aimed at fresh graduates as well as experienced professionals from medical & allied health sciences, life sciences, social sciences. The programmes are also attended by mid-level government officials nominated by the various State Governments.

***Emerging as an institute of excellence in public health, our faculty brings multi-disciplinary experience and has hands on expertise in local, national, and international health settings.***

These courses are targeted at a wide variety of graduates who are interested in public health training at large. The course eligibility criteria reflect the need for multi-disciplinary inputs that are vital to public health. IIPHS have over 65 highly qualified faculty and 100 technical staff with diverse experience. Their expertise is being put to good use in research, teaching and the practice of public health.

## Why recruit IIPHs graduates?

Admissions to IIPHs are purely based on the candidates' merit and caters to applicants with varied academic backgrounds. The unique selection criteria at IIPHs includes analysing the candidate's attitude and focus towards the specialised field through a statement of purpose as a part of the application, followed by selection interview. This ensures selection of students who are not only the most capable but also those who are aligned to the specific course.

The course design is competency driven and caters to multiple-disciplines. The teaching methods includes seminars, group assignments, quizzes, case studies and role plays. We also offer professional skills development program (PDP) to prepare the students for employability after the course completion. Our academic programs include a 3-6 months internship and dissertation, which prepares the students to pursue a wide range of career paths post completion of the academic programs.

- *Recruit our graduates and students for jobs and internships, and you will benefit from talent that comes equipped with skills in **program management, problem solving skills and multi-tasking abilities***
- *Recruit the best candidates with **multi-disciplinary background**, who will make a real difference to your public health projects by application of their skill sets drawn from **practical application of theory***
- *Our graduates are well equipped with technical and non-technical **skills to work in public health and other allied healthcare sectors***
- *Our mandatory **internship and dissertation component** gives the students an exposure to **practical public health challenges** and ways to address them*
- *Our graduates are appreciated by employers for **innovation at work** and their commitment to bring a difference by **willingness to work at community level***
- ***Batch diversity** allows flexibility for employers to choose and **recruit at the entry, middle management and senior management levels** of organizations*

# Students' Profile

## Post Graduate Diploma in Public Health Management (PGDPHM)

The programme aims to bridge the gap in the public health managerial capacity amongst health professionals in the country. It is designed to enhance the capacity of the public health managerial workforce and to impart knowledge and skills to address and resolve key health management challenges. A major strength of the programme is, providing participants with opportunities to apply learning directly within the community setting. The program is offered at IIPH-Delhi, IIPH-Gandhinagar, IIPH-Bhubaneswar and IIPH-Hyderabad.

## Curriculum of PGDPHM

## Students' Profile of PGDPHM (Indian Institute of Public Health-Delhi )

**Dr. Divya Rani Singh**

Bachelor of Dental Surgery (B.D.S.)

*Work experience in years: 3.5 years*

### Areas of interest

1. Maternal and child health
2. Public health nutrition
3. Health policy and planning

### Work experience

1. Associate Dental Surgeon, Purete Dental Clinic
2. Rural Development Fellow, Youth for India Fellowship
3. Program Associate- ECCD, Seva Mandir

### Areas of interest

1. Mental health
2. Environment health
3. Reproductive and child health
4. Biostatistics

### Achievements/ Extra-curricular activities

1. Dissertation During Graduation: Analysis of the effect of diabetes on the sympathetic and parasympathetic nervous system of heart

**Ms. Mandavi Singh**

M.Sc- Biotechnology  
Bachelor of Science (B.Sc)- Biotechnology

*Work experience in years: Fresher*

**Dr. Pranavi Thangallapally**

PharmD (Doctor of Pharmacy)

*Work experience in years: 3.5 years*

### Areas of interest

1. Maternal and child health
2. Health policy and planning
3. Public health nutrition
4. Behavior and social sciences

### Work experience

1. Drug Safety Associate, PAREXEL International Pvt ltd (Hyderabad)

### Achievements/ Extra-curricular activities

1. Won 1st place in best team category at annual awards of organization.
2. Achieved recognition badges of Patients First, Ownership, client service and quality, teamwork and delight the customer.
3. Coordinated cultural events at academic institutes

### Areas of interest

1. Health promotion and communication
2. RMNCH+A
3. Global health
4. Non communicable disease

### Work experience

1. Communications Associate, The Naz Foundation (India) Trust
2. Communications Officer, All Creatures Great and Small

**Ms. Purnima Bist**

Bachelor of Arts (B.A)- Political Science  
Hons

*Work experience in years: 4 years*

**Ms. Richa Sinha**

Master of Business Administration (MBA)- Healthcare Services  
Bachelor of Physiotherapy (B.P.T.)

*Work experience in years: 8 years*

**Areas of interest**

- |                       |                              |
|-----------------------|------------------------------|
| 1. Health management  | 2. Maternal and child health |
| 3. Project management | 4. Nutrition                 |

**Work experience**

1. *Physiotherapist*, KMCH Katihar
2. *Center Manager*, Nidan Nursing Home

**Achievements/ Extra-curricular activities**

1. Increase in patient flow in the center

**Areas of interest**

- |                                   |  |
|-----------------------------------|--|
| 1. Behavioral and social sciences | 2. Environmental and occupational health |
| 3. Nutrition and global health    | 4. Biostatistics                         |

**Work experience**

1. *Research Fellow*, Rutgers University, USA
2. *Technician/Analyst Operations*, Roche Molecular Diagnostics, USA - Lab
3. *Technical Officer*, Chirayu Medical College and Hospital, India

**Achievements/ Extra-curricular activities**

1. Chirayu Corona Warrior Award for Excellence in Molecular Diagnostics
2. Paper presentation: "Synchronization of physical and mental well-being of Women COVID women survivors", JCGS E-conference (won Best Paper Award).
3. K.C. Mahindra Scholar
4. Roche SPOT award, Roche Molecular Diagnostics USA
5. George H. Cook Leadership Award, Francine Corley Emerging Leader Award and Douglass and SEBS Scholarship, Rutgers

**Ms. Riddhi Jain**

Bachelor of Science (B.Sc)-  
Biotechnology

*Work experience in years: 2.5 years*

**Dr. Reesha Premjit**

Bachelor of Dental Surgery (B.D.S.)

*Work experience in years: 1 year*

**Areas of interest**

1. Environmental & occupational health.
2. Health systems, policy & financing

**Work experience**

1. *Associate Dentist*, Sanjeevani Dental Clinic

**Achievements/ Extra-curricular activities**

1. Volunteered in IGD NGO as Dentist, under Project KAVACH giving free dental health camps in Nalagarh, Himachal Pradesh
2. Volunteered in Robinhood army, Collecting left over food from restaurants and distributing to poor, Delhi

## Students' Profile of MPH (Indian Institute of Public Health-Hyderabad)

**Mr. Amgoth Ravi**

Bachelor of Arts (B.A)

*Work experience in years: Fresher*

### Areas of interest

1. Epidemiology
2. Non communicable diseases
3. Biostatistics and data management

### Internship details

*2 months during MPH 2<sup>nd</sup> semester*

PHC activities and diseases surveillance program  
WHO monitoring NDA program

### Achievements/ Extra-curricular activities

1. Paper Presentation: Epidemiology of child health and nutrition

**Ms. Arupala Padma**

Bachelor of Science (B.Sc.)- English

*Work experience in years: Fresher*

**Ms. Bhuswami Saibindu**

Bachelor of Science (B.Sc.)- Applied  
Nutrition and Public Health,  
Biochemistry

*Work experience in years: Less than 1  
year*

### Areas of interest

1. Post surgical events of Breast cancer
2. Diabetes and complications
3. Environmental and occupational hazards in farming
4. Surveillance

### Internship details

*2 months during MPH 2<sup>nd</sup> semester*

Telangana Institute of Medical Science and Research (TIM's)  
WHO, Hyderabad

**Project:** External monitor with NADA on young India alcoholics

### Work experience

1. *Dietician*, Usha Mullapudi Cardiac Centre, Hyderabad

### Achievements/ Extra-curricular activities

1. Several awareness programs in graduation as an NCC cadet
2. WHO-External Monitor for Filariasis Program
3. UMEED-A drop of hope(an NGO) - worked as an intern in the area of Social Work,HR, Marketing, Environment and Finance
4. NADA-Working as an intern in the project "young alcoholics"
5. PHFI - DST Smartphone Project-"The Smartphone Enabled Peer-Led Diabetes Care For Last Mile Connectivity In Rural India"

**Areas of interest**

1. Epidemiology
2. Vaccination
3. Infections diseases

**Mr. Bussu Praveen Kumar**

Bachelor of Science (B.Sc.)- Medical Lab Technology

*Work experience in years: Fresher*

**Ms. Chandrakani Nandini**

B.Sc. Nursing

*Work experience in years: Fresher*

**Areas of interest**

1. Social and behavioural sciences
2. Environmental science

**Areas of interest**

1. Epidemiology
2. Environment occupational health

**Internship details**

*2 months during MPH 2<sup>nd</sup> semester*

**Department of Women and Child Development**

**Project:** Malnutrition in children mainly focused in children SAM and MAM

**Ms. E. Vani**

B.Sc. Nursing

*Work experience in years: Fresher*

**Dr. Jeffy George**

Bachelor of Dental Surgery (B.D.S.)

*Work experience in years: Fresher*

**Areas of interest**

1. Communicable disease
2. Non-communicable disease
3. Maternal and child health care
4. Occupational hazards of industry workers

**Areas of interest**

1. Non communicable disease
2. Strengthening of public health service delivery
3. Monitoring and supervision of various program at public health facilities

**Internship details**

2 months during MPH 2<sup>nd</sup> semester

**National Health Mission**

**Project:** Communicable diseases

**Work experience**

1. Dentist, Private clinic
2. Dentist, National Health Mission
3. Dentist, O/o Commissioner of Health and Family Welfare

**K Anusha**

Bachelor of Dental Surgery (B.D.S.)

*Work experience in years: 9 years*

**Mr. K Sai Kumar**

Bachelor of Arts (B.A)- History, Political Science, Geography

*Work experience in years: Fresher*

**Areas of interest**

1. Epidemiology
2. Biostatistics
3. Environmental occupational health

**Internship details**

2 months during MPH 2<sup>nd</sup> semester

**UPHC (Urban Primary Health Centre), Hyderabad**

**Project:** Monitoring MDA program

**Achievements/ Extra-curricular activities**

1. WHO External Monitor for 10 days

**Areas of interest**

1. Epidemiology
2. Immunization
3. Community health
4. Non- communicable & communicable disease

**Ms. Kommu Kavya**

Bachelor of Physiotherapy (B.P.T.)

*Work experience in years: Fresher*

**Ms. Lakkakula Shravya**

Bachelor of Science (B.Sc.)- Nutrition and Public Health Sciences

*Work experience in years: Fresher*

**Areas of interest**

1. Surveillance

**Internship details**

2 months during MPH 2<sup>nd</sup> semester

**NADA**

**Project:** Tobacco control program

**Areas of interest**

1. Mother and child health care
2. Nutrition
3. Communicable and non communicable disease
4. Occupation health

**Internship details**

2 months during MPH 2<sup>nd</sup> semester

IIPH Hyderabad

Project: Cancer Project

**Achievements/ Extra-curricular activities**

1. Completed project on worm Infestation, focussing on nutritional programmes on school children
2. Participated in breast feeding programs, mental health programmes, child health nursing and community health programmes

**Ms. M. Kavyasree**

B.Sc. Nursing

Work experience in years: Fresher

**Ms. Madhavi Kharwar**

Bachelor of Science (B. Sc)- Botany,  
Zoology & Chemistry

Work experience in years: Fresher

**Areas of interest**

1. Non - communicable diseases
2. Program management
3. Epidemiology

**Internship details**

2 months during MPH 2<sup>nd</sup> semester

Foundation of Healthcare Technologies Society (FHTS)

Project: Pandemic workforce training

**Areas of interest**

1. Programme developmen
2. Clinical research
3. Data analysis
4. Postpartum depression

**Internship details**

2 months during MPH 2<sup>nd</sup> semester

**1. Umeed India Foundation**

Project: NGO management

**2. Women Development & Child Welfare (WD&CW) Department, Telangana**

Project: Childhood malnutrition

**3. Sangath (in association with UNICEF and WD&CW)**

Project: Early childhood development

**Achievements/ Extra-curricular activities**

1. Awarded certificates twice during under-graduation for peer teaching
2. Participated in several awareness programmes as an NSS volunteer

**Ms. Malla Sai Sreeharshita**

Bachelor of Science (B.Sc.)- Applied  
Nutrition and Public Health

Work experience in years: Fresher

**Dr. Mettu Laxmana Reddy**

*Work experience in years: Fresher*

**Areas of interest**

1. Clinical based programmes and projects

**Areas of interest**

1. Nutrition related problems in pre-schoolers
2. Mental health
3. Infectious diseases

**Ms. Naina Tabassum**

Bachelor of Science (B.Sc.)- Applied Nutrition and Public Health

*Work experience in years: Fresher*

**Ms. Namratha Grisilda**

Bachelor of Physiotherapy (B.P.T.)

*Work experience in years: 1.5 years*

**Areas of interest**

1. Immunization
2. Women and children health
3. WASH
4. Disaster management.

**Internship details**

*2 months during MPH 2<sup>nd</sup> semester*

**Primary Health Care, Hyderabad**

**Project:** DST smartphone project on type 2 diabetes

**Work experience**

1. *Freelancer as Physiotherapist*

**Areas of interest**

1. Child malnourishment
2. Safe motherhood
3. Immunisation
4. Communicable diseases

**Internship details**

*2 months during MPH 2<sup>nd</sup> semester*

**Inclen Trust International**

**Project:** Formative research of potential causes of Acute encephalitis syndrome in children of Muzaffarpur by in depth interview as qualitative design

**Ms. Pooja Bharti**

Bachelor of Commerce (B. Com)- Hindi

*Work experience in years: Fresher*

3. Poster presentation: "Go Green" on the World Environment Day and secured First Rank in 2018
4. Volunteered with National Service scheme, Aashaman foundation, and Muskurahat foundation and was Academic support volunteer at Make a Difference Bhopal chapter
5. Raised fund for the "Global Cancer Concern India" in 2015

**Areas of interest**

- 1. Operation management
- 2. Quality management
- 3. Project management
- 4. Research

**Work experience**

- 1. Assistant Dentist, Cupid Multispecialty Dental Clinic
- 2. Associate Dentist, Jain's Dental Clinic
- 3. Associate Dentist, Manomay Dental Clinic

**Achievements/Extra-curricular activities**

- 1. Entrepreneurship: Started NGO Yatna Welfare Society, 2015 to 2019, focussing on orphanage children personality development and organizing Dental Camps
- 2. Cultural Head in College Annual fest during Graduation
- 3. Poster Presentation "World No-Tobacco Day" in 2017

**Dr. Surbhi Shrivastava**

Bachelor of Dental Surgery (B.D.S.)

Work experience in years: 4 years

**Dr. Unnati Ratnu**

Bachelor of Dental Surgery (B.D.S.)

Work experience in years: Fresher

**Areas of interest**

- 1. Financial management
- 2. Human resource

**Areas of interest**

- 1. Quality
- 2. Operations
- 3. Research
- 4. Planning and Logistics

**Work experience**

- 1. Doctor, HCG Hospitals

**Achievements/Extra-curricular activities**

- 1. Awarded Silver Medal in Essay Writing Competition, United Nations

**Dr. Vishwa Dave**

Bachelor of Homeopathic Medicine and Surgery (B.H.M.S.)

Work experience in years: Less than 1 year

**Mr. W P Jordan Canto**

Bachelor of Science (B.Sc.) - Perfusion Technology

Work experience in years: Fresher

**Areas of interest**

- 1. Operations management
- 2. Quality management
- 3. Marketing management
- 4. Project management

**Achievements/Extra-curricular activities**

- 1. Student Representative of Placement Cell at IIPH Gandhinagar
- 2. Music Director of the Short Film "Sangharsh - A struggle for acceptance" released on World Aids Day 2020 supported by National Aids Control Organization (NACO) & IIPHG

2. Participated in Singing Competition in U.P. Mohatsav Organized by Govt. of Uttar Pradesh and Won 2nd prize

**Dr. Yashaswi Ranjan**

Bachelor of Dental Surgery (B.D.S.)

Work experience in years: Fresher

# Indian Institute of Public Health- Delhi

## Integrated MSc and PhD in Clinical Research

This multi-disciplinary program focusses on the scientific, ethical and operational issues related to clinical research. This Clinical Research program is a blend of principles of basic and advanced research and its application in health sector.

## Curriculum of Integrated MSc and PhD in Clinical Research

### Core Modules

- Basics in epidemiology
- Basic Biostatistics
- Clinical trials- design and analysis
- Clinical trials- conduct and operational issues
- Bio-ethics and regulatory affairs
- Medical writing - Proposal, Protocol development, and Report writing
- Basics in data management
- Pharmacovigilance and drug regulation
- Drug Development
- Systematic reviews and meta-analysis
- Project management and communication

### Elective Modules\*

- Advanced statistics
- Advanced epidemiology
- Genetic epidemiology
- Advanced data management
- Economic evaluation
- Medical innovation
- Drug discovery
- Laboratory sciences
- Pharmaceutical biotechnology

### Open Electives

*\*We offer 9 electives, of which the students need to choose any 4 modules*

## Core competencies acquired through program

- Reviewing existing evidence in literature
- Developing a grant application in bio-medical research
- Managing ethics and regulatory approvals of protocol
- Managing a research project
- Managing research/clinical trial data
- Planning and executing statistical analysis
- Communicating research results to scientific community

## Students Profile of Integrated MSc and PhD in Clinical Research (Indian Institute of Public Health- Delhi)

**Ms. Aayushi Ambastha**

Bachelor of Pharmacy (B. Pharm)

Work experience in years: 2 years

### Areas of interest

1. Medical writing
2. Pharmacovigilance and economic evaluations
3. Drug development (BA/BE trials)
4. Clinical data management

### Work experience

1. Medical Writer, Turacoz Healthcare Solutions, Gurugram

### Dissertation

6 months dissertation during MSc Clinical Research final semester  
*Quality of life and financial burden associated with diabetes care among geriatric patients*

### Achievements/ Extra-curricular activities

1. Secured 6th rank in B. Pharm
2. Volunteered at Indian Pharmaceutical Congress 2017
3. Awarded first prize by IPER, Pune

### Areas of interest

1. Clinical data management
2. Ethics and regulatory aspects of clinical trials
3. Clinical trial design and analysis
4. Pharmacovigilance and economic evaluations

### Internship

6 week internship during MSc Clinical Research 2nd semester

**Organisation: Indian Institute of Public Health (Delhi)**

*Project: Digoxin in Patients with Rheumatic Heart Disease - A Randomized Placebo-Controlled Trial*

### Work experience

1. Regulatory Affairs Analyst (Medical Devices), Bioscan Research Private Ltd, Ahmedabad

### Dissertation

6 months dissertation during MSc Clinical Research final semester  
*Outpatient antibiotic prescription for acute childhood ailments in private health facilities: identifying the mediating role of parental knowledge and attitudes*

### Achievements/ Extra-curricular activities

1. ICH-GCP Certified by NIDA Clinical Trials Network.
2. Internal Auditor- ISO 13485 by BSI. Certificate no: ENR-00819862

**Ms. Baani Sodhi**

Bachelor of Technology (Biotechnology)

Work experience in years: 2 years

### Areas of interest

1. Clinical data management
2. Bioethics and regulatory affairs
3. Biostatistics
4. Medical writing

### Internship

6 week internship during MSc Clinical Research 2nd semester

**Organisation: Centre for Chronic Disease Control, Delhi**

*Project: Data management and analysis using Cardiometabolic risk reduction in South Asia (CARRS) study data*

### Dissertation

6 months dissertation during MSc Clinical Research final semester  
*Association between physical activity and low back pain among adults in an urban setting*

**Ms. Disha Angra**

Bachelor of Technology (Bioinformatics)

Work experience in years: Fresher

### Achievements/ Extra-curricular activities

1. Interned at Symbiosis School of Biological Sciences during graduation- Project: Differential gene expression analysis of schizophrenia patients using publicly available microarray data
2. Selected as Class Representative of MSc CR 2020-2022 Batch

### Areas of interest

1. Clinical trial- design and conduct
2. Data management
3. Genetic epidemiology
4. Pharmacovigilance

### Internship

4 week internship during MSc Clinical Research 2nd semester

**Organisation: Indian Institute of Public Health-Delhi**

Project: Literature search and review of the articles related to physical activity

### Dissertation topic

Relationship between Heat and Decisions to perform physical activity among adults in Kerala- A Cross sectional Study

**Dr. Gina Rachel Sunil**

Bachelor of Dental Surgery (B.D.S.)

Work experience in years: Fresher

**Ms. Kopal Dixit**

M.Sc. (Biomedical Science)

Bachelor of Science (B.Sc.- Lifesciences)

Work experience in years: Less than 1 year

### Areas of interest

1. Trial design and management
2. Data management
3. Genetic epidemiology

### Internship

6 week internship during MSc Clinical Research 2nd semester

**Organisation: Centre for Chronic Disease Control, Delhi**

Project: WHO Project for Tracking Health Indicators in SEARO region

### Work experience

1. Research Assistant, IIT Roorkee

### Dissertation

6 months dissertation during MSc Clinical Research final semester

Influence of functional disability on depression among patients with Rheumatoid arthritis.

### Areas of interest

1. Clinical trial design and conduct
2. Pharmacovigilance
3. Cancer research
4. Immunology or lab based research

### Internship

6 week internship during MSc Clinical Research 2nd semester

**Organisation: Indian Institute of Public Health-Delhi**

Project: WHO Project for Tracking Health Indicators in SEARO region

### Work experience

1. Project Co-ordinator, Saarathi Healthcare Pvt Ltd, Thane
2. Clinical Associate, Inventurus Knowledge Solutions Healthcare Pvt Ltd, Navi Mumbai

### Dissertation

6 months dissertation during MSc Clinical Research final semester

Association between antenatal depression and low birth weight among recently delivered mothers in Nagpur, India: A hospital based case-control study

**Dr. Mrunali Zode**

Bachelor of Dental Surgery (B.D.S.)

Work experience in years: 1.5 years

**Dr. Shyamashree Biswas**

M.B.B.S.

*Work experience in years: Fresher*

**Areas of interest**

- 1. Drug Development (BA/BE trials)
- 2. Clinical Trial Design and Conduct
- 3. Genetic Epidemiology
- 4. Pharmacovigilance

**Internship**

*6 week internship during MSc Clinical Research 2nd semester*

**Organisation: Centre for Chronic Conditions and Injuries, PHFI**

*Project: To Investigate Associations of Quality of Life in Breast Cancer Survivors in a Prospective Telephonic Feasibility Study Model*

**Dissertation topic**

*6 months dissertation during MSc Clinical Research final semester*

*A case-control study to examine the association between migraine and pre-eclampsia in New Delhi*

**Achievements/ Extra-curricular activities**

- 1. Volunteered in USAID funded fistula care plus project during Clinical Internship in Bangladesh
- 2. Volunteered ‘Smile Train’, an International Children’s Charity that supports 100% Free Cleft Lip and Palate repair during Clinical Internship in Bangladesh

**Areas of interest**

- 1. Clinical trial design and conduct
- 2. Biostatistics
- 3. Data management
- 3. Cancer research

**Internship**

*6 week internship during MSc Clinical Research 2nd semester*

**Organisation: Amrita Institute of Medical Science, Kochi, Kerala**

*Project: Cost analysis of oral cancer surgery*

**Dissertation**

*6 months dissertation during MSc Clinical Research final semester*

*Swallowing related quality of life and overall health related quality of life in post treated oral cavity and oropharyngeal cancer patients - A hospital based cross-sectional study*

**Achievements/ Extra-curricular activities**

- 1. Received best paper award for Hand Transplant at PACE Conference 2019, Kochi, Kerala

**Ms. Sreelakshmi P R**

Bachelor of Science (B.Sc.-Physician Assistant)

*Work experience in years: Fresher*

**Ms. Sumi P Rose**

Bachelor of Science (B.Sc.- Zoology)

*Work experience in years: Fresher*

**Areas of interest**

- 1. Clinical trial design
- 2. Data management
- 3. Infectious disease
- 4. Maternal health

**Dissertation**

*6 months dissertation during MSc Clinical Research final semester*

*Factors associated with utilization of integrated child development service and dietary diversity among pregnant and lactating women living in an urban resettlement colony of Delhi: a cross-sectional study*

**Achievements/ Extra-curricular activities**

- 1. Received 2nd Prize for Poster Presentation on “Antiproliferative effect of Portunus sanguinolentus (red spotted crab) crab shell extract on human lung cancer cell lines(A549) “ in DBT sponsored International Conference on Frontiers in Chronic Disease (ICFCD’20) at Bishop Heber College, Tiruchirappalli
- 2. Interned in Pathology Lab at CSI Mission General Hospital, Tiruchirappalli

**Areas of interest**

- 1. Epidemiology
- 2. Basic data management
- 3. Bioethics
- 4. Drug development

**Internship**

6 week internship during MSc Clinical Research 2nd semester

**Organisation: Centre for Chronic Disease Control**

*Project: Data management and analytics using Cardiometabolic risk reduction in South Asia (CARRS) study data*

**Dissertation**

6 months dissertation during MSc Clinical Research final semester

*Validating the telephonic version of Montreal Cognitive Assessment (MoCA) (Hindi) screening tool for the detection of mild cognitive impairment in elderly – a cross-sectional study.*

**Achievements/ Extra-curricular activities**

- 1. Newsletter Representative for MSc CR Batch 2020-22, prepared the Newsletter for Integrated MSc. & Ph.D. Clinical Research Batch 2020-2022.
- 2. Trained in Hindustani Classical Music

**Ms. Udita Grover**

Post Graduate Diploma in Clinical Virology and Immunology  
Bachelor of Science (B.Sc.- Lifesciences)

*Work experience in years: Fresher*

## eLearning programs offered at PHFI

S. No.	eLearning Programs	Institution	Duration
1.	ePost Graduate program in Public Health Nutrition	IIPH - Delhi	1 year
2.	ePost Graduate program in Epidemiology	IIPH - Delhi	1 year
3.	ePost Graduate program in Management of Reproductive & Child Health programs	IIPH - Delhi	1 year
4.	ePost Graduate program in Public Health & Hospital Management for Nursing & Allied Health Professionals	IIPH- Gandhinagar	1 year
