Workshop Series 2022-23

Project Management of Health Programs (Aug 22-26, 2022)

Last date of registration: 8th Aug, 2022

Course Director: Prof. Sanjay Zodpey, Director, Indian Institute of Public Health- Delhi

Course Coordinator: Mr. Shomik Ray, Associate Professor

Link to registration form: <http://tof.phfi.org/>

About the course

This workshop would cover key issues in project management and go through each part of the Project Cycle Management. This workshop aims to provide participants with certain tools of project management that would enable managers to use/assess and respond to issues in their own workplaces. The training would use adult learning methods including case studies and practice sessions.

At the end of the workshop, the participants are expected to be capable of designing a robust health project with a focus on final results, identifying various project management activities, and using relevant tools for efficient functioning.
