

Number of Projects by Calendar Year of Incidence

*Till 31st March 2022

Sr.No	Title	Activity
1.	Developing a Policy Note with Recommendations on Increase in Incidence of Anemia in the Country	Research
2.	Are Citizens of Delhi Willing to Stop Using Private Vehicles for Their Daily Office Commute in Order to Reduce Air Pollution and Related Ailments	Research
3.	POSHAN Covid Data Reviews	Technical Assistance
4.	Advanced Collaboration for Early Childhood Development & Empowerment (ACECD)	Research
5.	Development of a SEARO Human Resources for Health Leadership and Management Course	Capacity Building
6.	Strengthening Comprehensive Primary Healthcare in Municipal Corporation Greater Mumbai (MCGM)	Capacity Building
7.	Review of COVID-19 related clinical outcomes following the introduction of the National Clinical Management Protocol (NCMP) on Ayurveda and Yoga	Research
8.	Developing Health Equity Profile for India and Its 5 States - Assam, Chhattisgarh, Maharashtra, Odisha and Uttar Pradesh	Research

Sr.No	Title	Activity
9.	Assistance for developing a District-level COVID response model for Karnal, Haryana	Research
10.	Assessment of Integration of AYUSH System into Public Health System for Combating COVID-19	Research
11.	Systematic Review of Evidence on the Cost - Effectiveness of Childhood Rota Virus Vaccination in Low and Middle Income Countries Especially India	Research
12.	The Food Environment Toolbox: Tools to Measure Natural and Built Food Environments in Low- and Middle-Income Countries	Research
13.	Technical Support to Periwinkle Technologies in the implementation and documentation of use of Smart Scope in healthcare facilities in Pune, India	Technical Assistance
14.	A situation analysis of open space gyms in Delhi from a health perspective and a case study to document good practices	Research
15.	Strengthening Routine Health Information Systems in South-East Asia	Technical Assistance
16.	To conduct a Study on Health Workforce in India: Where to Invest, How Much and Why	Research
17.	To strengthen health information system specially in overall SRMNCAH, Violence against women and Healthy aging in line with various global monitoring frameworks	Capacity Building
18.	Technical Support and facilitating the implementation of population-based prophylactic studies related to COVID-19 along with modalities of activity	Technical Assistance
19.	Implementing Population based Prophylactic study related to COVID-19	Technical Assistance
20.	Public Health Ethics in India- Establishing Linkages and Synergies	Technical Assistance
21.	Digoxin in Patients with Rheumatic Heart Disease - A Randomised Placebo-Controlled Trial	Research
22.	Development of Review Paper on Procurement and Supply System for Malaria Elimination Activities under the National Vector Borne Disease Control Programme	Research
23.	To Conduct a Study on Health Workforce in India: Where and How to Invest	Technical Assistance
24.	To Integrate Evidence based Specifications for Mother, Infant and Young Child Nutrition into Government of India's Platform (ICDS in Rajasthan, RMNCH+A in Jharkhand and Livelihoods Mission in Odisha) to Improve Nutrition in India	Capacity Building
25.	To Develop a Protocol for Investment Case in HRH and Initiating Activities for Generating HRH Estimates	Technical Assistance
26.	Development of Review Paper on Stewardship Role and Procurement and Supply System for Kala-Azar Elimination Activities under the National Vector Borne Disease Control Programme	Technical Assistance
27.	Strengthening of Institute of Public Health - Ranchi	Technical Assistance
28.	Set up a Minimum Wage Mechanism in Maldives	Technical Assistance
29.	Understanding Impact of Pharmaceutical Regulation and Policies on Access to Medicines in India	Research

Sr.No	Title	Activity
30.	Developing a Communication Strategy & Materials for Improving the Health Literacy of Communities and Delivery of Services in Sagar Division, Madhya Pradesh	Technical Assistance
31.	Situational Analysis of State Institute of Health and Family Welfare Training (SIHFW) Gwalior, Madhya Pradesh	Research
32.	Training and Capacity Development of Staff of Ministry of Health, Government of Afghanistan	Capacity Building
33.	Technical Support to Strengthen Antenatal Care Services in Mewat Focusing on Severe Anaemia among Pregnant Mothers	Technical Assistance
34.	An Interdisciplinary Approach to Addressing Global Challenges Courses	Capacity Building
35.	Mapping of Take Home Rations (THR) under the Integrated Child Development Services in India	Capacity Building
36.	Diploma in Disease Surveillance and Outbreak Investigation	Capacity Building
37.	Proposal writing for grant and scientific writing	Technical Assistance
38.	Regional Health Information Systems (RHIS) Strengthening Support	Technical Assistance
39.	Value of Gated-SPECT MPI for Ischemia-Guided PCI of non-culprit vessels in STEMI Patients with Multivessel Disease after primary PCI	Research
40.	Diagnostic Efficacy of Digital Hemoglobinometer (TrueHb) for Screening Patients for Anemia in the Field Settings	Research
41.	Child Welfare in Haryana	Research
42.	Formative Research on IYCN Practices – An Application of PEN 3 Cultural Model	Research
43.	Scholarships for Students Enrolled in MPH Programs Offered at the Indian Institutes of Public Health – Gandhinagar, Hyderabad and Delhi-NCR	Capacity Building
44.	Assignment under the Project MIYCN 2037 for Monitoring and Evaluation Framework	Technical Assistance
45.	Dietary Diversity and Nutritive Value of Indigenous Foods in Addressing Food Security and Nutritional Status of Vulnerable Tribal Communities of India	Research
46.	Strengthening Routine Health Information System (RHIS) in South Asia	Research
47.	McKinsey & Company Sashaktikaran Scholarships for MPH Students	Capacity Building
48.	Surgery Compared to Fibrinolytic Therapy for Symptomatic Patients with Left-Sided Prosthetic Heart Valve Thrombosis (SAFE-PVT)	Research
49.	MIT Pilot Study - for ASHA Kit: Mobile Tools for Community Health Workers	Technical Assistance
50.	Adaptation of the Evaluation Specialization Curriculum for a Virtual Certificate Course on Evaluation for the Asian Setting	Capacity Building
51.	Assessment of antibiotic consumption in India and its relationship with antimicrobial resistance: Evidence from pharmaceutical sales data	Research

Sr.No	Title	Activity
52.	Diagnostic Accuracy of MCV/RBC Count Ratio (Mentzer Index) for Screening Patients for Beta-Thalassemia	Research
53.	Design and Scale up of Alternate Models for Responding to the Critical Shortage of Medical Specialists in Selected States	Capacity Building
54.	A Prospective Cohort to Assess Improvements in Patient Reported Outcomes and Weight Gain Pattern in Patients Undergoing Unilateral Primary Total Knee Replacement	Research
55.	Process Evaluation of Health Insurance in Ghana and India	Research
56.	Rapid Assessment of the Implementation Status of MNH Interventions in Selected Districts, as a Follow-up Action to Operationalizing India Newborn Action Plan (INAP)	Research
57.	Cost Effectiveness Analysis of Pneumococcal Conjugate Vaccines (PCV) in India through Transmission Dynamic Modelling Approach	Research
58.	Bottleneck Analysis and Strengthening of Regional Training Centres in Uttar Pradesh	Research
59.	Developing Diploma Course in Public Health Nutrition for Afghanistan	Capacity Building
60.	Piloting PRISM Tools in India and Piloting the Core RHIS Curriculum in Asia Region	Research
61.	Towards a Grand Convergence for Child Survival and Health: A Strategic Review of Options for the Future Building on Lessons Learnt From IMNCI	Research
62.	Routine Health Information Systems (RHIS) Curriculum Pilot Testing in Asia	Research
63.	Developing the Training Curriculum for Indian Administrative Service (IAS) Officers on Health and Nutrition	Capacity Building
64.	Baseline and End Line Survey for HBS India Program in Five Pilot Program Districts	Research
65.	Strategic Framework on Human Resources for Health (HRH)	Capacity Building
66.	GIS Applications in Public Health - Nepal	Capacity Building
67.	Rollout Facility Based Project to Improve Newborn Nutrition and Survival in Two States – UP and Gujarat	Research
68.	Role of Indian Institute of Public Health-Delhi, Public Health Foundation of India in providing technical support to HCL foundation for developing health interventions for the project Samuday	Technical Assistance
69.	Know Violence in Childhood: A Global Learning Initiative	Research
70.	STOP Diabetes and Lower Cardiovascular Risk through Worksite – A Demonstration Project	Capacity Building
71.	Mapping of Institutions in South-East Asia Region for Epidemiological Skills and Training on Capacities Associated with International Health Regulations	Capacity Building
72.	Portraying Breast Cancer Survival in Delhi – Bridging Knowledge Gaps about Breast Cancer Survivors and Survivorship in India	Research

Sr.No	Title	Activity
73.	Routine Health Information Systems Support	Capacity Building
74.	Pharmaceutical Economics with Focus on Access to Medicine and Vaccines	Capacity Building
75.	Rapid Assessment of Bottlenecks in Adopting a Daily-Regimen in Treatment of TB across India	Research
76.	Technical Support for Conducting Workshop on Routine Data Quality Assessment (RDQA) in Nepal	Capacity Building
77.	Study of Medical Officers at Primary Health Centres and Auxiliary Nurse Midwives at Sub-Centres working under Department of Health and Family Welfare, Government of Madhya Pradesh – A Systematic Assessment	Capacity Building
78.	Know Violence in Childhood: A Global Learning Initiative	Research
79.	Assessment of an Ongoing Intervention to Promote Data Utilization in Health Professionals and its Effect on Overall Improvement in the Performance of the System	Capacity Building
80.	Operational Research on service provision of SRH (Sexual and Reproductive Health) and Nutrition Components of the Rashtriya Kishore Swasthya Karyakram (RKSK) strategy	Research
81.	An analysis of sex selection drugs (SSD) and its effect in animals	Research
82.	State-Wide Rollout of India Newborn Action Plan (INAP) in Bihar with Special Focus in Gaya and Purnea Districts	Research
83.	Know Violence in Childhood: A Global Learning Initiative	Research
84.	Public Sector Linkage Program to Strengthen the Capacity of the Public Sector to Train Public Health Leaders in the State of Uttarakhand, India	Capacity Building
85.	Obstetric Fistula in South East Asian (SEARO) Countries - A Systematic Review	Research
86.	Know Violence in Childhood: A Global Learning Initiative	Research
87.	Private Sector Rota Vaccine Utilization Study	Research
88.	Updating the National Pandemic Preparedness Plan for Government of Maldives	Technical Assistance
89.	Database for Rajiv Gandhi Jeevandayee Arogya Yojana (RGJAY) Network Hospitals	Technical Assistance
90.	Documentation of Maternal and Child Health Activities in Haryana	Research
91.	Diagnostic Efficacy of Hemoglobin Color Scale, Digital Hemoglobinometer and Non-Invasive Method for Screening Patients for Anemia	Research
92.	Identifying priority areas for policymaking in the Department of Health, Government of Madhya Pradesh	Research
93.	Fund for Improvement of S&T Infrastructure (FIST)	Capacity Building
94.	Development of a Post-Graduate Level M&E Course For MPH Programs, Phase-II	Capacity Building
95.	Quality Assurance in Labour Rooms (with Emphasis on Infection Control) in 2 Districts in Bihar	Research
96.	Risk Factors of Congenital Anomalies in Haryana - A Case Control Study	Research

Sr.No	Title	Activity
97.	Capacity Building in Health Economics, Health Care Financing and Health Policy	Capacity Building
98.	Capacity Building in Public Health Management	Capacity Building
99.	An Operational Research (OR) of India HIV/AIDS Alliance for its Programme Titled HRIDAYA Project: "Community Action on Harm Reduction"	Research
100.	Designing a Framework for Tobacco Research Network in India through Stakeholder Consultations	Research
101.	Capacity Building of RCH Programme Managers Revision of Training Package and Organizing Two Training of Trainers (ToTs), Phase-I & Phase-II	Capacity Building
102.	Ferrous Sucrose in Pregnant Anaemic Women in India (FeSPAW)-A Randomized Open Label Study, Phase-II	Research
103.	Providing Community Health Facilities in Anotified Backward District - Barabanki, Uttar Pradesh	Research
104.	Mainstreaming Monitoring and Evaluation Teaching in MPH Programs across Four Asian Countries, Phase-I	Capacity Building
105.	Scholarships for Students of Good Academic Background and belong to Socially and Economically Deprived Communities	Capacity Building
106.	Developing and Piloting an Intervention Model to Delay First Pregnancy and Spacing of Second Child among Married Adolescents and Young People, Phase-II	Research
107.	Strengthening the Capacity Building Initiatives of the State Institute of Health Management and Communication (SIHMC), Phase-III	Capacity Building
108.	Situational Analysis of Pneumococcal Conjugate Vaccine Market in India	Research
109.	Harm Reduction Approach for Non-Injectors in Injecting Drug Users' Sexual Network: Exploratory Study from Selected Regions of Manipur	Research
110.	Churachandpur District Hospital Performance Improvement	Technical Assistance
111.	State of India's Newborns (SOIN) Report	Research
112.	Breast Cancer Awareness: Evaluation of a Campaign and Planning Further Dissemination	Research
113.	Indigenous and Traditional Foods for Addressing Food and Nutrition Security: An Enquiry into the Possible Contribution of Bio Diversity with Emphasis on Dietary Diversity through Consumption of Indigenous/Wild Foods in the Tribal Communities of Jharkhand,	Research
114.	The HIV/AIDS Partnership: Impact through Prevention, Private Sector and Evidence-based Programming	Technical Assistance
115.	Endline Evaluation of the Wheat Flour Fortification Project in Madhya Pradesh	Research
116.	Evaluation of Effectiveness of District Extender Model of Supporting Vitamin-A Supplementation (VAS) Program in Selected States of India	Research

Sr.No	Title	Activity
117.	Cross-Country Comparison of Masters and Doctoral Level Public Health Programs with a Focus on Competency-Driven Curriculum	Academic
118.	Bringing the SAFE Child Protection Tools to Practice: Partnerships for Data Collection, Analysis and Implementation Research in India and Haiti	Research
119.	Trans Fats in the Food Supply in India: A Pilot Study to Align Policy Options with the Population Consumption Pattern	Research
120.	Baseline Data Collection Related to Married Adolescents Reproductive Health in Selected NIPI Focus Districts in India, Phase-I	Research
121.	An Evaluation of the Post Graduate Diploma Programme in Public Health Management	Research
122.	Improving Management of Facility Based Newborn Care in Bihar	Research
123.	Strengthening the Capacity Building Initiatives of the State Institute of Health Management and Communication (SIHMC), Phase-II	Capacity Building
124.	Develop/Adapt and Field Test Capacity Building Package for Reproductive and Child Health (RCH) Programme Managers-I	Capacity Building
125.	Development of Module on Gender Equity in Health for Post Graduate Diploma in Public Health Management	Research
126.	Ferrous Sucrose in Pregnant Anaemic Women in India (FeSPAW)-A Randomized Open Label Study, Phase-I	Research
127.	Technical Assistance to Government of Jharkhand to Develop Human Resource Strategy for the Department of Health and Family Welfare	Technical Assistance
128.	Migration, Poverty and Access to Healthcare: A Multi-Centric Study on People's Access and Health System's Responsiveness in Fast Growing Smaller Cities in India (Nasik)	Research
129.	Challenges to Accessing and Remaining on ART in India: Perspectives of Mothers and Children Living with HIV	Research
130.	Global Health Course in Master's Programme in Sustainable Development Practice at TERI University	Capacity Building
131.	A Scalable Approach to Improve the Coverage, Quality and Impact on MNCH Care in the Urban Slums of Delhi: Developing a Package of MNCH Care Facilitated through an Urban Community Health Worker: The ANCHUL (Ante Natal and Child Health Care in Urban Slums)	Research
132.	Development of Post Graduate Diploma in Management of Reproductive and Child Health Programmes	Capacity Building
133.	Intensive Professional Programme in Sexually Transmitted Infections and HIV (PSLP)	Capacity Building
134.	Role of Single Photon Emission Computed Tomography (SPECT)-Myocardial Perfusion Imaging (MPI) and Coronary Computed Tomography (CT) Angiography in the Assessment of Patients at Intermediate Risk of Coronary Events - A Pilot Randomized Controlled Trial (IA	Research

Sr.No	Title	Activity
135.	Workload and Knowledge, Attitude, Behaviour and Practices (KABP) Analysis of Integrated Counselling and Testing Centre (ICTC) and Anti-Retroviral Therapy (ART) Counsellors	Research
136.	Strengthening the Capacity Building Initiatives of the State Institute of Health Management and Communication (SIHMC), Phase-I	Capacity Building
137.	Effect of Heating on the Trans-Fatty Acid Content of Commonly Consumed Indian Edible Oils and Fried Snacks in South Delhi	Research
138.	Short Intensive Professional Programmes in HIV under Australia Leadership Award Fellowship (ALAF)	Academic
139.	Community Based Maternal Death Audit (MDA) in one District of Uttar Pradesh	Research
140.	Developing a Policy Research Framework to Characterize the Regulatory Environments of Mixed Health Care Systems	Research
141.	Situational Analysis of World Food Program's Flour Fortification Project in Madhya Pradesh	Research
142.	Reaching Everyone: Strengthening Public Health Education	Capacity Building
143.	Technical Assistance to the Government of Jharkhand to Operationalize First Referral Units (FRU), Phase-II	Technical Assistance
144.	Assessment of Navjaat Shishu Suraksha Karyakaram	Research
145.	Regulating the Availability of TB Medicines in India: A Policy Process Appraisal	Research
146.	Prepare a User Friendly Document Reviewing Global Lessons in Nutrition Security from Select Countries that Resulted in Reduction in Malnutrition Amongst their Populations	Research
