Workshop Series 2024-25

### In-person workshop on 'Medical Writing'

January 21-24, 2025

Last date of registration: 7<sup>th</sup> Jan, 2025

Course Coordinator: **Dr. Preeti Negandhi**, Professor, IIPH-Delhi

**Registration form:** [APPLY ONLINE](#)

#### About the course

Medical writing includes developing a proposal/ grant application to undertake research, writing a report after completion of the study and writing for a scientific journal. Writing scientific papers is hard even for persons who have a natural skill for writing. A clear and transparent reporting of research finding is essential to avoid misinterpretation of the study results. This workshop is intended to impart researchers with basic skills in medical writing and get introduced to standard reporting guidelines for various research designs.

#### Contents

- Literature review
- Referencing methods and plagiarism
- Proposal writing
- Requirements for grant submission
- Writing a report
- Writing for a scientific journal
- Reporting Guidelines
- Submission process to medical journals
- Peer reviewing and responding to peer reviewers' comments

#### About the Faculty

Dr. Preeti Negandhi, MBBS, MD (PSM), MSc, faculty at the institute will be the key resource. She teaches epidemiology, infectious disease surveillance, research methods and health information systems to students of our on-campus as well as distance-learning academic programs. She has been involved in research and analytical work in the areas of health information systems, besides work in maternal and child health and infectious disease surveillance.

#### Who should attend?

These workshop are ideal for physicians, medical students, clinical and medical researchers, study coordinators, project managers, medical writers, data managers, pharmaceutical scientists, statisticians, and those working in the health services.
